

## IKO Spotlights Winners of 2025 ROOFPRO VIP Awards

**Toronto, Ontario Feb 13, 2026** ([Issuewire.com](https://www.issuewire.com)) - This Valentine's Day, IKO is spotlighting ROOFPRO contractors who go above and beyond every day. The 2025 ROOFPRO VIP Getaway winners were celebrated with an unforgettable retreat in Mexico, bringing together top-performing contractors for a well-earned recognition of their hard work and commitment. While the celebration took place last December, the appreciation is shared year-round.

"The VIP Getaway is just one of the many ways we show our ROOFPRO contractors we love them back," said **Jack Gottesman, Marketing & Brand Director at IKO North America**. "It's our chance to celebrate their hard work that makes our ROOFPRO community so special and what better time to share this love than Valentine's Day?"

The VIP Getaway isn't just a vacation—it's a one-of-a-kind experience. Eligible contractors at the Craftsman Premier level were invited, along with a guest, to connect with industry leaders from across North America, share insights, and celebrate their impact on the industry. From lively roundtable discussions to unforgettable excursions, it's the ultimate VIP celebration of excellence in roofing. The winners were announced during an awards dinner, with ROOFPROs cheering for each other showcasing just how connected the community truly is.
