

## Indiana's Trusted Choice for Roofing, Restoration & Insurance Claim Support New Carlisle, IN

**New Castle, Indiana Feb 9, 2026** ([Issuewire.com](https://www.issuewire.com)) - [Platinum Loss Solutions](#), a leading roofing, storm restoration, and insurance claim consulting company, proudly continues its mission of helping homeowners and businesses recover with confidence after property damage. With nearly 30 years of experience, Platinum Loss Solutions combines expert craftsmanship with licensed insurance expertise to deliver comprehensive restoration services that protect both property and peace of mind.

Since its founding, Platinum Loss Solutions has grown into a trusted local partner for property owners across Indiana. Backed by deep industry knowledge and a commitment to honesty, precision, and fairness, the company is dedicated to restoring safety, structure, and value to every property it serves.

### **Comprehensive Services Offered by Platinum Loss Solutions:**

Platinum Loss Solutions offers a full suite of residential and commercial services, ensuring every aspect of property loss and restoration is handled with professionalism and care:

**Residential Roofing Services** – Expert roof repair, replacement, and maintenance designed to withstand Indiana's weather challenges.

**Commercial Roofing Services** – Durable commercial roofing solutions, including membrane systems, coatings, and restoration work that minimize downtime and protect business assets.

**New Roof Installation** – Precision installation of new roofing systems using trusted materials like Owens Corning and metal roofing options.

**Roof Repair & Maintenance** – From small leaks to major damage, the team provides reliable repairs and proactive maintenance services.

**Roof Inspection Services** – Thorough inspections uncover hidden issues and provide documentation for maintenance planning or insurance claims.

**Storm Damage Repair** – Fast and accurate storm damage response, complete with emergency measures and insurance-ready documentation.

**Siding Services** – Professional siding repair and installation to enhance both protection and curb appeal.

**Gutters Services** – Installation and repair of gutters and downspouts to ensure proper water drainage

and prevent long-term damage.

**Loss Consulting Services** – Expert guidance through complex insurance claims, including documentation, policy review, and negotiation support.

**Appraisal Services** – Certified appraisal support ensures accurate valuation of damage and fair claim settlements.

**Umpire Services** – Neutral third-party claim resolution services when disputes arise between insurers and policyholders.

“Our goal is simple: to restore more than just property,” said Tim Leslie, Founder of Platinum Loss Solutions. “We aim to restore confidence, clarity, and long-term protection for every homeowner and business owner we serve.”

With its unique blend of roofing expertise and licensed insurance claim knowledge, Platinum Loss Solutions stands out in the restoration industry — providing personalized service backed by decades of experience.
