South Bend, Indiana Feb 26, 2026 ([IssueWire.com](https://www.IssueWire.com)) - Christian music collective **Kingdom Artistry** announces the release of their deeply moving new album, **Stay With Me Here**, now available on all streaming platforms worldwide.

Blending cinematic worship, vulnerable storytelling, and faith-rooted encouragement, *Stay With Me Here* delivers ten powerful tracks centered on identity in Christ, perseverance through hardship, and the reminder that no one walks alone.

Anchored by its title track, the album speaks directly to those navigating dark seasons, offering a message of presence rather than platitudes. With themes of worth, endurance, surrender, and spiritual resilience, Kingdom Artistry crafts a project that feels both intimate and expansive.

“This album was created for the moments when words feel empty and encouragement feels distant,” says Kingdom Artistry. “It’s not about pretending everything is fine. It’s about choosing faith, even when it’s hard. It’s about staying.”

A Journey Through the Album

Each track builds on the next, forming a cohesive narrative arc:

- **Identity Restored** — “You Matter” and “You Are Enough” affirm worth rooted in God, not performance.
- **Endurance Through Darkness** — “Stay Another Dawn” and “Keep Going” speak to perseverance

when hope feels fragile.

- Surrender and Trust — “Carry Me Through” offers a prayerful declaration of dependence on God’s strength.
- Perspective and Purpose — “Part Of The Picture” closes the album with a reminder that every chapter, even painful ones, fits into a greater story.

Musically, the album blends cinematic textures, acoustic-driven worship, emotive vocal delivery, and modern Christian production, creating a listening experience that is both raw and reverent.
