

# Kingship Hip Hop Highlights 3 Icons EZ Elpee, John Jigg\$, & Culture Architect Sarah J. Preston

Editor in Chief Sarah J Preston interviews John Jiggs and Legendary Producer EZ Elpee

Cincinnati, Ohio Feb 26, 2026 ([IssueWire.com](http://IssueWire.com)) - Kingship Hip Hop, a rising force in multimedia cultural journalism and creative arts, today announced the publication of three major editorial features

profiling legendary producer EZ Elpee, acclaimed lyricist John Jigg\$, and the company's own President and Editor-in-Chief, Sarah J. Preston. Together, these articles represent a significant milestone in the platform's mission to document, elevate, and advance the voices shaping contemporary hip-hop culture.

#### Feature Profile: EZ Elpee — A Legacy of Sonic Excellence

The first article honors EZ Elpee, a producer whose catalogue spans decades and includes collaborations with Nas, Junior M.A.F.I.A., Shyne, Mobb Deep, and numerous other influential artists. The feature explores his enduring impact on the sound of East Coast hip-hop, his creative evolution, and his ongoing work with emerging talent. The profile also highlights his recent appearance on the Sarah J. Preston Podcast, where he discussed creativity, legacy, and the future of the genre.

#### Feature Profile: John Jigg\$ — A Rising Rap Artist of Modern Hip-Hop

The second article spotlights John Jigg\$, an independent artist recognized for his lyrical precision, entrepreneurial discipline, and expanding global presence. The feature traces his early beginnings, including the pivotal rap-battle victory that confirmed his artistic path, and examines his current collaborations with EZ Elpee. His recent interview with Sarah J. Preston is also highlighted, offering insight into his philosophy of self-direction, artistic ownership, and long-term career vision.

#### Feature Profile Culture Architect: Sarah J. Preston — Cultural Strategist, Media Mogul, and Creative Visionary

The third article presents an in-depth profile of Sarah J. Preston, President and Editor-in-Chief of Kingship Hip Hop and creator of the HiFi Art Express brand. The feature details her expanding influence across media, literature, and cultural production, including her authorship of The Hifian Upload 2 novel series and her leadership in shaping Kingship Hip Hop's editorial and creative direction. The article positions Preston as an emerging business leader whose strategic vision and creative innovation place her among the next generation of influential cultural moguls.
