

Launch To Leadership - Fashion Sourcing is The # 1 Leader in B2B Wholesale Manufacturer For Apparel Accessories Textiles

Fashion Leader B2B platform Fashion Sourcing Launches To Transform Apparel Sourcing Between Fashion Brands And Asia manufacturers, providing simplified custom manufacturing solutions. The Leader in Clothing Manufacturing For All Apparel Needs.

New York City, New York Feb 5, 2026 (IssueWire.com) - Fashion Sourcing The # 1 Leader in B2B Ecommerce , powered by Global Sourcing - leads the B2B e-commerce space in custom manufacturing for apparel , accessories and textiles.

As a leading sourcing platform, fashion sourcing connects global fashion brands with Asia's premier manufacturers of men's, women's, kids and infants apparel.

Our platform streamlines the entire procurement process, from design development to final production, ensuring quality and efficiency at every step.

Asia strong and leading textile infrastructure, skilled workforce, and years of expertise in garment-making make it the right choice for sourcing apparel.

"Asia is the manufacturing leader worldwide and offers a wide range of services and industries, from automotive and electronics to software, home textiles, fashion apparel, footwear, and more," states Mr. Laurent Gabay, Founder & CEO of Fashion Sourcing.

Our platform facilitates easier collaboration with verified Asia manufacturers specializing in men's ,women's, kids and infants apparel.

Each of our manufacturer hubs all over Asia undergoes full verification, from compliance with global standards to ethical manufacturing practices.

We also have on-ground quality-control teams that monitor production, ensuring that all garments meet exact specifications and deadlines.

"We help global buyers with a one-stop digital platform to procure custom-manufactured goods from verified Asia suppliers with end-to-end transaction support.

Fashion Sourcing is changing the B2B export marketplace experience by showcasing the strength of Asia manufacturers,” says Mr. Laurent Gabay Founder & CEO of Fashion Sourcing.

What sets us apart from others is our speed to market.

We have the full infrastructure and capabilities to facilitate production in various regions depending on volatile factors such, duties, tariffs, trade wars, government regulations and other unexpected factors that may affect the apparel world.”

Our dedicated on-ground quality management teams ensure adherence to quality standards and delivery timelines. Our established global partnerships enhance operations through integrated logistics, quality control, and financing services.

Using Fashion Sourcing platform, allows new and existing brands to manufacturer quality product offering competitive pricing, flexible minimum order quantities, and quick sampling capabilities.

In the competitive world of fashion, speed, quality, and reliability define success. If your brand wants to thrive globally, you need a sourcing partner that **delivers worldwide, scales effortlessly, and simplifies production**. That partner is **Fashion Sourcing**—the leading B2B apparel sourcing platform connecting brands with top manufacturers across the globe.

- **Global Network of Trusted Manufacturers**
