Miami, Florida Feb 24, 2026 (Issuewire.com**)** - CIEGATE TECHNOLOGIES EXPANDS MANAGED IT SERVICES AND AI CUSTOMER SUPPORT ACROSS MIAMI-DADE COUNTY

Ciegate Technologies, a Miami-based managed IT services provider, announces expanded service coverage across Miami-Dade County neighborhoods, including Coral Gables, Hialeah, Kendall, Brownsville, Pinecrest, South Miami, Riverside, Olympia Heights, Westwood Lake, and Sunset.

Businesses across these neighborhoods now have direct access to Ciegate's full suite of IT services, with a focus on two high-demand solutions: Managed IT Services and AI-Powered Customer Support.

Managed IT Services in Miami, FL

Ciegate delivers 24/7 proactive IT monitoring, cybersecurity, cloud computing, and compliance support for healthcare, finance, and professional services firms across Miami-Dade. The company manages endpoints, closes IT support tickets, and keeps business operations running without interruption. Clients in Kendall, Coral Gables, and Hialeah rely on Ciegate as their single-source IT provider for infrastructure management, disaster recovery, and regulatory compliance including HIPAA, CMMC, and NIST 800-171.

AI Customer Support Services

Ciegate now helps Miami businesses automate customer support using AI. The system resolves tickets, responds to inquiries 24/7, and supports multilingual communication. This service reduces response times and frees staff from repetitive tasks so they can focus on higher-value work.

Local businesses in neighborhoods like Brownsville, Olympia Heights, and Riverside that handle high customer inquiry volumes are seeing the most direct benefit from AI-driven support automation.
