

Mitze Ambrose-Washington Honored By Americas Best In Medicine As Award-Winning Specialty Sales Representative At Grifols

Specializing in Immunology, Neurology, and Rare Disease Infusions with a Commitment to Advancing Patient Access and Community Leadership

Mount Vernon, New York Feb 11, 2026 ([Issuewire.com](https://www.issuewire.com)) - Mt. Vernon, New York – Mitze Ambrose-Washington, an award-winning Hospital Specialty Sales Representative at Grifols, is making significant strides in the fields of immunology, neurology, and rare disease infusions. With a proven record in the

pharmaceutical and biotech industries, Mitzi has distinguished herself through her expertise in product launches and her relentless pursuit of excellence in sales, particularly within the realms of neuroscience, psychiatry, respiratory therapies, and rare diseases.

A graduate of Howard University, where she earned her Bachelor of Arts Degree in History, Mitzi combines a rich educational background with extensive industry experience. Throughout her career, she has consistently surpassed sales goals by harnessing her in-depth understanding of the healthcare landscape, market dynamics, and the specific needs of healthcare providers and patients. Her commitment to increasing access to life-changing therapies is particularly evident in her work with underserved populations and complex therapeutic areas, where she strives to make a meaningful impact on patients' lives.

Mitzi's career is characterized by her ability to thrive in fast-paced and evolving environments. She excels in strategic thinking, relationship-building, and maintaining a patient-centered focus—skills that are essential for achieving success in the competitive pharmaceutical landscape. Her experience includes leading high-impact initiatives, supporting medical education, and devising strategies that ensure long-term brand success for Grifols and its innovative therapies.

In addition to her professional accomplishments, Mitzi is deeply committed to community service and leadership. She has served on the Board of Directors for The Guidance Center of Westchester, where she has contributed to initiatives aimed at improving mental health services in the community. Furthermore, as President of The Junior League of Bronxville, she has actively engaged in projects that empower women and promote volunteerism and community improvement.

Mitzi Ambrose-Washington exemplifies the integration of clinical acumen, collaborative spirit, and a commitment to continuous learning. Her dedication to both her career and community service positions her as a role model for aspiring professionals in the healthcare and sales sectors. As she continues to drive advancements in healthcare and give back to her community, Mitzi remains a powerful advocate for patients and an inspiration to her peers.
