

# Moffitt Services Announces Grand Opening of New Abilene, Texas Location to Serve Central West Texas

**MOFFITT**  
Services

**Abilene, Texas Feb 2, 2026 (IssueWire.com)** - **Moffitt Services**, a nationally recognized provider of bulk fuel delivery, lubricants, emergency response services, and site-support solutions, is proud to announce the official opening of its **new Abilene, Texas location**. This expansion strengthens the company's service network in Central West Texas and enhances its ability to deliver dependable fuel, fuel storage, emergency services, and site support to industries throughout the region.

Conveniently located to serve Abilene and surrounding communities, the new facility will offer **24/7/365 bulk fuel delivery, custom fuel programs, on-site fueling, lubricant distribution, generator support, roll-off dumpster rentals, portable toilets, and disaster readiness services** for construction, agriculture, oil and gas, industrial, transportation, and emergency response operations.

"We are excited to open our Abilene location and bring Moffitt's trusted fuel delivery and site-support expertise directly to Central West Texas," said **Rusty Moffitt, President and CEO of Moffitt Services**. "This new location allows us to provide even faster service, more localized support, and expanded capabilities to customers who depend on reliable fuel, lubricants, and emergency readiness solutions to keep their operations moving."

## Expanded Service Capabilities in Abilene

The Abilene office is fully equipped to provide a broad range of solutions tailored to customer needs:

- **Bulk Fuel Delivery:** Diesel, gasoline, kerosene, biodiesel, ethanol, E85, and specialty fuels delivered reliably on site.
- **Fuel Storage & Tank Solutions:** Durable storage tanks and scheduled refill services to ensure uninterrupted operations.
- **Lubricants & Fuel Additives:** Comprehensive inventory of industrial-grade oils, greases, and fluids for efficient equipment performance.
- **Generator Fuel Support & Maintenance:** Scheduled and emergency fuel delivery to keep critical power systems up and running.

- **Site Services: Roll-off dumpster rentals, portable toilets and handwashing stations.**
- **Disaster Response & Emergency Services:** Local readiness to support emergency fuel needs, disaster response, potable water delivery, and more.

The Abilene location joins Moffitt Services' network of Texas and national offices, extending the company's ability to serve customers across the *Lower 48* with reliable fueling and support services when and where they need it most.

## Local Economic and Operational Impact

With this expansion, Moffitt Services expects to enhance economic activity locally by creating jobs, strengthening supply chain support for regional industries, and improving fuel access for businesses of all sizes — from small contractors to large commercial fleets.

"We designed this location to be an integral resource for businesses and communities across Central West Texas," added Moffitt. "Whether fueling a construction site, supporting agriculture operations, or responding to emergencies, our team is dedicated to delivering quality service that keeps Central West Texas moving forward."

## About Moffitt Services

Headquartered in **Houston, Texas**, **Moffitt Services** is a leading nationwide provider of bulk fuel and lubricant delivery, generator fuel programs, disaster response services, and comprehensive site-support solutions. With decades of experience and a reputation built on reliability, safety, and customer care, Moffitt Services keeps businesses and communities operational under all conditions.
