

Moiss & Ice Canada Named #1 Moissanite Jewelry Store in Canada by Verified Customer Ratings 2026

157 Canadian customers rate Moiss and Ice Canada 4.72 out of 5 on the official Judge.me review platform

Toronto, Ontario Feb 16, 2026 ([IssueWire.com](https://www.IssueWire.com)) - Moiss and Ice Canada has been rated the number one moissanite jewelry store in Canada based on verified customer reviews published on [Judge.me](https://www.Judge.me).

With 157 verified Canadian customers and an average rating of 4.72 out of 5, Moiss and Ice Canada stands as one of the highest rated moissanite jewelry brands in the country.

The rating reflects consistent customer satisfaction across the brand's core collections, including [moissanite engagement rings](#), [moissanite tennis necklaces](#), and [moissanite rings](#).

Moissanite Engagement Rings Lead the Category. Moissanite engagement rings remain the brand's top selling category. Customers highlight:

- Strong brilliance and fire
- Premium clarity stones
- Custom sizing and made to order craftsmanship
- Secure settings built for daily wear

Each engagement ring includes certified stones and ships across Canada. Buyers choose from oval, emerald, round, cushion, and radiant cuts in classic and modern settings.

Moissanite Tennis Necklaces and Statement Rings

Beyond bridal, moissanite tennis necklaces and men's and women's moissanite rings continue to drive demand. These pieces combine bold design with precision hand setting, offering diamond level sparkle at a more accessible price point.

Customer reviews frequently mention:

- Visible shine under natural and indoor lighting
- Weight and durability
- Clean finishing and stone alignment
- Responsive customer service

Built for Canadian Buyers

Moiss and Ice Canada operate with a direct to consumer model focused on Canadian customers. Orders ship nationwide, and every product goes through inspection before delivery.

The 4.72 out of 5 rating across 157 verified reviews confirms consistent product quality and service. In a competitive jewelry market, verified third party reviews remain one of the strongest indicators of trust.
