

Moore Home Buyers Launches in Milwaukie, Oregon Offering Fast Cash Home Sales for Clackamas County Homeowners

Local resident launches direct home buying service giving Milwaukie and Clackamas County homeowners a faster, simpler alternative to traditional real estate

Milwaukie, Oregon Feb 18, 2026 (IssueWire.com) - Moore Home Buyers, a new locally owned home buying company, has officially launched to serve homeowners in Milwaukie, Oregon City, Happy Valley, Gladstone, Gresham, and the surrounding Clackamas County area. Founded by Milwaukie resident Brett Moore, the company offers homeowners a direct cash buying option with no repairs required, no agent commissions, and a closing timeline that works around the seller's needs.

The launch addresses a growing need among Clackamas County homeowners who find themselves in situations where the traditional listing process isn't practical - including inherited and probate properties, pre-foreclosure situations, divorce, vacant homes, and properties requiring significant repairs.

"A lot of homeowners in this area don't realize they have options outside of listing with an agent," said Brett Moore, founder of Moore Home Buyers. "Sometimes life moves fast and you need a straightforward solution from someone who actually knows the community. That's what we're here for."

Unlike large national home buying companies, Moore Home Buyers operates exclusively in the Milwaukie and Clackamas County market. Brett lives in Milwaukie and brings firsthand knowledge of

local neighborhoods, the Clackamas County probate process, and Oregon real estate law to every transaction. Homeowners work directly with Brett from the first conversation through closing — no call centers, no middlemen.

The process is designed to be simple. Homeowners contact Moore Home Buyers through the company website at moorehomebuyers.com, receive a no-obligation cash offer within 24 hours of a property walkthrough, and can close in as little as two weeks.

Moore Home Buyers is now actively purchasing homes throughout Clackamas County. Homeowners interested in a fast, hassle-free sale are encouraged to visit moorehomebuyers.com or call directly to learn more.
