

NoCo Contracting Helps Northern Colorado Homeowners Begin Spring Remodeling Projects

Family-owned general contractor with 15+ years of experience brings kitchen, bathroom, and basement renovations to Fort Collins area.

Fort Collins, Colorado Feb 18, 2026 ([IssueWire.com](https://www.IssueWire.com)) - NoCo Contracting, a trusted residential general contractor serving Northern Colorado, announces its focus on spring remodeling projects for homeowners throughout the Fort Collins area. With over 15 years of experience since founding in 2009, the family-owned business emphasizes that spring provides ideal timing for renovations that transform living spaces before summer activities intensify.

Founded by Steven Brown, Owner and CEO, NoCo Contracting has established itself as a reliable partner for homeowners seeking professional remodeling services across Fort Collins and communities throughout Northern Colorado within a 25-mile radius of Eaton.

"Spring is perfect for starting remodeling projects," said Steven Brown, Owner and CEO of NoCo Contracting. "Homeowners are ready to refresh their spaces, and the weather allows us to work efficiently on both interior and exterior projects. Whether you're updating a kitchen, transforming a bathroom, or finishing a basement, we're ready to help bring your vision to life."

NoCo Contracting specializes in kitchen renovations that improve functionality and modernize outdated spaces, bathroom updates that enhance comfort and add property value, basement finishing that transforms unused space into functional living areas, home additions that expand square footage, and whole-home transformations.

As a family-owned business, NoCo Contracting operates with integrity and personalized service. Brown brings a friendly, approachable demeanor to every project, recognizing that remodeling represents significant investments in homes where families create memories.

"We take time to understand what our clients want to achieve," Brown explained. "Whether it's a kitchen that needs better workflow, a bathroom that should feel like a retreat, or a basement that could become valuable living space, we listen carefully and help turn those visions into detailed plans we execute with quality craftsmanship."

Kitchen remodeling includes layout redesigns, custom cabinetry installation, countertop selection, modern lighting, and appliance integration. Bathroom renovations feature modern fixtures, expert tile work, vanity and storage solutions, and finishes that reflect quality craftsmanship.

Basement finishing transforms underutilized spaces into recreation rooms, home offices, guest suites, or entertainment areas. Home additions provide expanded square footage for growing families or evolving needs.

NoCo Contracting's 15 years of experience have developed deep expertise in Northern Colorado homes. Understanding local building requirements, regional architectural styles, and climate considerations enhances every project.

The company recognizes that renovation projects can disrupt daily life and works to minimize inconvenience while maintaining consistent progress and quality. Spring timing allows families to complete projects before summer activities begin.

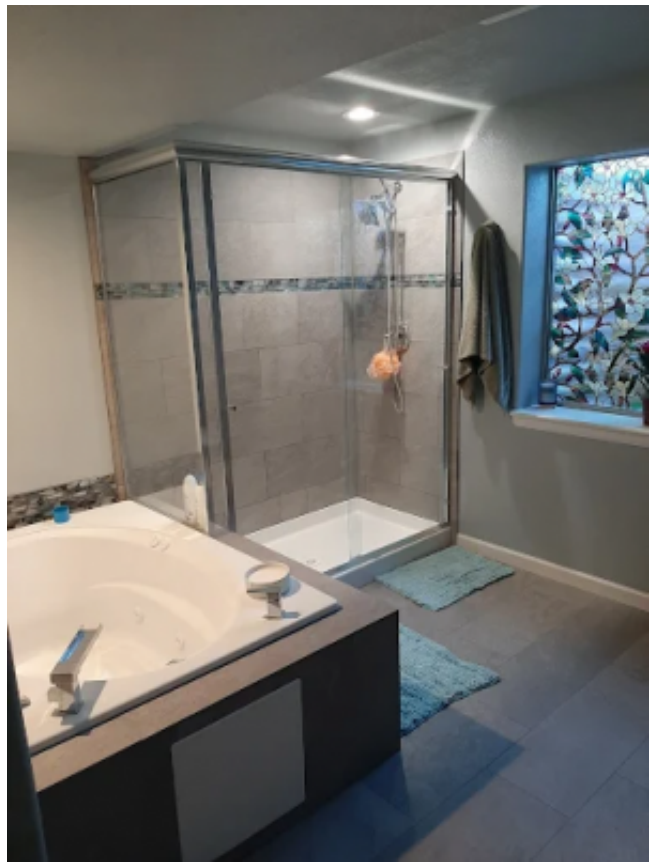

Brown emphasizes that successful remodeling requires clear communication and genuine understanding of homeowner visions. NoCo Contracting's friendly approach creates positive client relationships throughout the remodeling process.

Whether homeowners consider single-room updates or comprehensive whole-home renovations, NoCo

Contracting's experience across diverse project types provides knowledgeable guidance and professional execution.
