**Tomah, Wisconsin Feb 6, 2026 (IssueWire.com)** - Christian author **Peter King** presents *The Power of God's Grace*, a reflective and faith-centered book that examines the meaning, scope, and lasting influence of God's grace in the lives of believers. Drawing from decades of personal faith and spiritual study, the book offers readers a thoughtful exploration of grace as a living force rather than a distant doctrine.

Rather than approaching grace as an abstract theological concept, *The Power of God's Grace* focuses on how faith is experienced day by day—through belief, prayer, worship, and a growing relationship with God. King invites readers to consider how grace shapes character, strengthens conviction, and provides spiritual assurance throughout life's challenges.
