

## Prasad S. Dhamnaskar Awarded “Most Admired Digital Marketer” at World Digital Marketing Congress 2026

Global Recognition for Strategic Excellence and Innovation in Digital Marketing

**Mumbai, Maharashtra Feb 20, 2026 (IssueWire.com)** - Mumbai-based digital marketing strategist [Prasad S. Dhamnaskar](#) has been conferred with the prestigious title of “**Most Admired Digital Marketer**” at the World Digital Marketing Congress 2026 (WDMC '26). The grand ceremony was held at **Taj Lands End**, bringing together leading marketing professionals, CMOs, and global industry experts.

The World Digital Marketing Congress, supported by the **World Federation of Marketing Professionals** and **CMO Asia**, is one of the most respected global platforms recognizing excellence, innovation, and leadership in marketing. The event featured high-level panel discussions, keynote sessions, and the much-awaited Global Marketing Awards ceremony honoring industry trailblazers.

This recognition further strengthens Prasad Dhamnaskar's reputation as a dynamic force in the digital marketing ecosystem. Known for his strategic thinking, performance-driven campaigns, and ability to deliver measurable business growth, Prasad has consistently demonstrated a deep understanding of evolving digital trends and consumer behavior.

Over the years, Prasad has built a strong portfolio, serving more than 100 clients across India and international markets. His work spans diverse industries, including education, healthcare, professional services, and entrepreneurship. His client-centric approach, combined with innovation and data-backed strategies, has earned him long-standing trust and consistent referrals.

Expressing his gratitude, Prasad S. Dhamnaskar said:

“Being recognized as ‘Most Admired Digital Marketer’ is truly humbling. This honor belongs to my family, clients, mentors, and every individual who has trusted my vision. Digital marketing is constantly evolving, and this recognition motivates me to continue creating impactful strategies that drive real business transformation.”

This latest accolade adds to his growing list of achievements, reflecting his sustained excellence and leadership in the digital domain. As the digital landscape continues to transform, Prasad remains committed to helping brands navigate change, build strong online presence, and achieve sustainable growth.
