

Robert C. Barber, Recognized by America's Best in Medicine for Excellence in Pediatric Behavioral Health Leadership

Program Director and Therapist at Health Connect America Committed to Delivering Compassionate, Evidence-Based Care for Children, Adolescents, and Families

Moss Point, Mississippi Feb 24, 2026 ([IssueWire.com](https://www.issuewire.com)) - Moss Point, Mississippi — Robert C. Barber is a dedicated behavioral health professional with more than two decades of experience supporting children, adolescents, and families across clinical and leadership roles. As the Program

Director at Health Connect America, Robert is instrumental in delivering high-quality behavioral health services grounded in evidence-based practices and crisis intervention.

In his current role, Robert oversees program operations, provides clinical leadership, and develops staff while also serving as a Therapist. His commitment to excellence in behavioral health care is evident through his hands-on approach and dedication to fostering a supportive environment for those in need.

Before joining Health Connect America, Robert built a robust career at Cincinnati Children's Hospital Medical Center, where he worked for 17 years as a Mental Health Specialist III (MHS III). In this capacity, he supported high-acuity patients and collaborated closely with interdisciplinary medical and behavioral health teams, ensuring a seamless continuity of care for the children and families he served.

Robert holds a Bachelor's Degree in Secondary Education and Teaching, as well as an Associate's Degree in Criminal Justice/Law Enforcement Administration from Northern Kentucky University. His academic achievements include induction into the Golden Key Honors Society, reflecting his commitment to both education and professional excellence. This diverse educational background informs his practical and structured approach to therapy and program leadership.

"What I enjoy most about my work is the opportunity to build meaningful connections with people and support them through some of the most challenging moments of their lives," Robert shares. "I find great fulfillment in listening to their stories, understanding their unique needs, and collaborating with them to develop practical, compassionate paths toward healing and stability. Being able to make a positive impact, whether by helping a person navigate a crisis, build coping skills, or regain hope, reinforces my commitment to providing thoughtful, patient-centered care every day."

In addition to his professional role, Robert is actively involved in community service. He volunteers as a judge for Destination Imagination, further demonstrating his commitment to youth development, creativity, and community engagement. His dedication to fostering resilience and growth in young people highlights the heart of his work and the values he brings to Health Connect America.
