Co-Founder & CEO, HIC Global Solutions

Thornhill, Ontario Feb 15, 2026 ([Issuewire.com](https://www.issuewire.com)) - [HIC Global Solutions](https://www.hicglobal.com) announced today that their company has been featured by Salesforce through its Startup Program, recognizing the company's innovation and growing contribution to the Salesforce ecosystem.

The feature highlights HIC Global Solutions' focus on building scalable Salesforce solutions and AppExchange products that help businesses streamline operations and accelerate growth. Recognition from the Salesforce Startup Program reinforces HIC's commitment to innovation, customer success, and delivering measurable value to customers worldwide.

This milestone reflects HIC Global Solutions' continued alignment with Salesforce's vision of enabling startups and technology partners to build impactful, future-ready solutions.

Beyond the recognition, this achievement represents the dedication, creativity, and resilience of the HIC Global Solutions team. From late-night brainstorming sessions to delivering complex implementations for global clients, every milestone has been built on collaboration and a deep belief in solving real business challenges with meaningful technology.

"We are incredibly proud to be recognized by Salesforce," said a spokesperson at HIC Global Solutions. "This feature validates the hard work of our team and the trust our customers place in us every day. It motivates us to keep innovating, keep improving, and continue building solutions that truly make a difference for businesses around the world."
