

Seda Stepanyan of Tooyin Homes Named to JohnHart Real Estate's Top 25 Agents of Q4 2025

Los Angeles, California Feb 6, 2026 ([Issuewire.com](https://www.issuewire.com)) - Seda Stepanyan, licensed California real estate agent and founder of Tooyin Homes, has been recognized as one of [JohnHart Real Estate's Top 25 Agents of Q3 and Q4 2025](#), an honor awarded to agents who demonstrated exceptional performance, adaptability, and client commitment during one of the most challenging real estate markets in recent years.

The recognition comes at the close of a year defined by rapid market shifts, rising interest rates, and evolving consumer expectations—conditions that required agents to continually adapt their strategies while maintaining high standards of service. “2025 tested everyone in this industry,” said Seda Stepanyan. “To be recognized among the Top 25 agents during a year like this is incredibly meaningful. It reflects not only hard work, but the trust my clients placed in me and my commitment to guiding them thoughtfully through every step of their real estate journey.”

JohnHart Real Estate highlighted the Top 25 Agents of Q3 and Q4 2025 as professionals who not only endured a demanding market cycle, but evolved with it—remaining reliable advocates for their clients during a period of significant industry transformation.
