

Strengthening Ireland–India Collaboration: Minister Jack Chambers meets Test Triangle

Irish Minister Jack Chambers visited the offices of Test Triangle and Techfynder, where he met with Praveen Madire, CEO. The visit formed part of the Minister's engagement programme in India aimed at strengthening Ireland/India collaboration.

Dublin, Ireland Feb 25, 2026 ([Issuewire.com](https://www.issuewire.com)) - Test Triangle and Techfynder were honoured to host Ireland's [Minister Jack Chambers](#), Ambassador of Ireland to India Kevin Kelly, and representatives from Enterprise Ireland during their recent visit to Hyderabad. The delegation met with the leadership team and employees at the Test Triangle and Techfynder offices, engaging in meaningful discussions on technology, innovation, and cross-border collaboration.

The visit underscored the growing relationship between Ireland and India, particularly within the technology and digital transformation sectors. Minister Jack Chambers and Ambassador Kevin Kelly

interacted with teams across both organisations, gaining insight into their global operations, talent capabilities, and ongoing contributions to international clients. The engagement highlighted shared opportunities for cooperation, innovation, and business expansion between the two countries.

As part of the visit, Minister Jack Chambers and Praveen Madire, CEO of Test Triangle and Techfynder, also participated in a high-impact event at Jawaharlal Nehru Technological University (JNTU). The session brought together students, parents, and members of the local business community to explore emerging pathways for education, careers, and entrepreneurship in Ireland.

The discussions focused on student mobility, skills development, and the evolving opportunities for Indian talent and businesses within Ireland's dynamic economy. Attendees gained valuable perspectives on academic prospects, industry demand, and the benefits of international collaboration. The event reflected a shared commitment to empowering students and fostering stronger global connections between educational institutions and industry.

Central to these engagements is [Praveen Madire](#), a visionary entrepreneur and business leader whose work continues to bridge global technology ecosystems. As CEO of Test Triangle, Praveen Madire has been instrumental in delivering advanced technology consulting, quality engineering, and digital transformation solutions to enterprises worldwide. Through Techfynder, he has further demonstrated innovation by reshaping how organisations discover and connect with technology talent on a global scale.

Praveen Madire's leadership is defined by a forward-looking approach, a strong belief in collaboration, and a dedication to creating opportunities that transcend geographical boundaries. His efforts have consistently strengthened international partnerships, positioned Hyderabad as a key hub for global engagement, and contributed to the broader dialogue on innovation and talent development.

The visit by Minister Jack Chambers, Ambassador Kevin Kelly, and Enterprise Ireland representatives marks another important milestone in advancing Ireland-India cooperation. Test Triangle and Techfynder remain committed to supporting initiatives that drive global innovation, talent exchange, and sustainable business growth.
