

## **Tennessee Author Reveals Hidden Biblical Messages in "Endtime Prophecies Amplified"**

# ENDTIME PROPHECIES AMPLIFIED

DAVID D. CEIGA

**Union City, Tennessee Feb 11, 2026 ([IssueWire.com](http://www.IssueWire.com))** - Author David D. Ceiga releases "Endtime Prophecies Amplified," offering fresh interpretations of Biblical prophecies including the Four Horsemen, Seals, Trumpets, and Vials, backed by extensive scriptural and historical documentation.

"Know the Truth and the Truth will set you Free," states Ceiga. "Endtime prophecies are not a mystery. God wants His true children to understand the signs forming around us."

The book distinguishes itself by systematically connecting historical events with scripture, including a previously overlooked divine message revealed on page 55. Ceiga draws parallels between current times and the Biblical "Days of Noah," presenting the story of Esther as an allegory for contemporary spiritual purification.

The book explores the Four Horsemen's historical and ongoing manifestations, decodes the Seals, Trumpets, and Vials through scripture and history, demonstrates how current world events fulfill prophecy, and emphasizes that the Rapture requires active preparation.

"Unlike other prophecy books, this work emphasizes that the Rapture requires active preparation—we can miss it if we're not ready," Ceiga explains. "Keep your focus on Jesus while staying aware of the signs."

"Endtime Prophecies Amplified" is available now. The book serves readers seeking to understand Biblical prophecy's intersection with contemporary events.

David D. Ceiga is a Biblical researcher based in Union City, Tennessee, specializing in connections between scripture, history, and current events. You can check out his book through his Amazon link below.
