

## The Meow Ministries Launches New Digital Channels to Spread Feline Fellowship Worldwide

**Plantation, Florida Feb 16, 2026 ([IssueWire.com](https://www.issuewire.com))** - The Meow Ministries, a rising voice in the world of feline-centric inspiration, proudly announces the official launch of its new YouTube, Instagram, Twitter, and TikTok channels. Designed to bring joy, humor, and wholesome “cat-centric spirituality” to audiences everywhere, these platforms will feature original content led by the Ministry’s distinguished clergy: **Pastor Purrington, Bishop Shadowtail, Father Midnight, and Reverend Furrigus**, each offering their own unique blend of charm, wisdom, and whiskered charisma.

All four ministers serve under the blessing and guidance of **His Holiness Pope Biscuits**, whose pawprint of approval marks the beginning of a new era in feline fellowship.

Through The Meow Ministries’ digital presence, viewers and followers can look forward to:

- **Weekly “Humor with Father Midnight”**
- **“Peace and Simple Blessings”** with Reverend Furrigus offering uplifting messages
- **Choir of Purrs** musical features
- **“The Weekly Affirmations with Pastor Purrington”**
- **Celebrity Cat endorsements** on Instagram and Facebook Reels

- **“Weekly Proverbs with Bishop Shadowtail”** across all platforms

The Ministry's mission is simple: to spread positivity, community, and a little sacred silliness through the universal language of cats.

**“Our goal is to uplift hearts, one pawstep at a time,”** said Reverend Furgus. **“Whether through a thoughtful message from Pastor Purrington or a humorous reflection from Father Midnight, we’re here to brighten someone’s day.”**

The Meow Ministries invites all cat lovers, pet parents, and seekers of joy to join the growing congregation.
