At the bottom left is the Videoipsum logo, and at the bottom right are social media icons for Facebook, YouTube, Twitter, and Instagram, along with the website URL 'www.videoipsum.com'.

Florida City, Florida Feb 17, 2026 ([Issuewire.com](https://www.Issuewire.com)) - YouTube has become highly competitive, where modern creators are struggling for exposure. Good News for the YouTubers as Videoipsum is offering an amazing discount of 15% on its video promotion services. The agency is encouraging creators and YouTube channel owners to '**February Creator Update**' and avail of this discount offer, which will be active from February 18th to February 27th. The promotional packages offered by this company are applicable to all kinds of creators and video content on YouTube, as the agency is equipped with a wide and dynamic promotional network that can cater to the unique needs of every niche industry. The sale is active for a small window, and creators are advised to hurry up and take advantage of this golden opportunity.

Videoipsum is not only a reliable [video promotion website](#) but also one of the most effective ones that is capable of providing exactly what clients are looking for. The company is an official Google partner and only utilizes legitimate YouTube Ad tools to create the ad campaigns online. Each campaign is specially designed based on the unique needs of the creators to make sure they can grow their channel effectively. The ad campaigns are designed to offer organic exposure, popularity, and views from credible sources. By reaching out to the relevant target audiences, the agency makes sure to not only provide views but also a good amount of web traffic and online engagement through comments, likes, and shares. The promotional campaigns can also help to improve the number of subscribers for each

channel.

The company utilizes three kinds of ad formats to create highly effective and dynamic ad campaigns. Firstly, YouTube Search Ads, which are discovery ads that help to rank at the top of the YouTube Search results. It allows gaining attention from millions of users and helps to improve online presence on the web and YouTube. Secondly, there are YouTube-related ads, which are also a kind of discovery ad that help to find the video as a thumbnail, along with other promoted video content. Lastly, there are in-stream ads, which are commercial ads where the promoted video content is shown as a video ad that plays before, during, and after a promoted video is played on YouTube. Combining these three ad formats, the company helps to create highly effective ad campaigns that can empower the creators with improved presence, popularity, and authority in the competitive landscape.

Videoipsum is well-revered for its affordable pricing system that allows YouTubers to gain a promotional advantage at a reduced price. This is especially helpful for the emerging and independent YouTubers who have a tight budget and a greater need for promotion. With the help of the latest '**February Creator Update**' sale offer, creators are now able to obtain 15% discount on the promotional services, from February 18th to February 28th. The agency shares a detailed analytical report at the end, which allows gaining more critical insights based on the target audiences. Visit the website to find out more.
