

Timm Bond Returns With Never Get Too Comfortable II: Unfinished Businezz, Upping Stakes In His Gritty Thriller Trilogy

Book two of the Never Get Too Comfortable series plunges deeper into dark suspense, blurred realities, and dangerous choices where loyalty and survival collide.

NEVER GET TOO COMFORTABLE II

UNFINISHED BUSINEZZ

Timm Bond

New York City, New York Feb 15, 2026 ([IssueWire.com](https://www.issuewire.com)) - Author Timm Bond releases *Never Get Too Comfortable II: Unfinished Businezz*, the gripping second book in the *Never Get Too Comfortable* trilogy. Picking up immediately after the shocking, narrowly avoided assassination that closed the first installment, the Kindle edition propels readers into a darker, more complex chapter of intrigue where truth is fractured and every decision carries deadly weight.

The novel opens with protagonist Kenni jolting awake from a terrifying nightmare, drenched in sweat and overwhelmed by a sense of *déjà vu* so vivid it threatens to fracture his grip on reality. As the boundary between the surreal and the real begins to blur, Kenni is forced to confront the possibility that the danger he escaped may be far from over—and that forces beyond his understanding are still at work.

Bond structures the story around a powerful central idea: every event has three versions—the opposing narratives and the elusive truth hidden between them. As the plot unfolds, readers are drawn into a labyrinth of manipulation, secrets, and shifting perspectives that challenge assumptions at every turn. New characters emerge from the shadows, each layered with their own motives and hidden agendas, compelling Kenni—and the reader—to constantly reassess who can be trusted.

As buried truths begin to surface, the novel exposes the machinery of control and revenge driving the story forward. The tension intensifies as alliances fracture and loyalties are tested, revealing how quickly friends can become enemies when survival is on the line. Bond's pacing keeps the pressure unrelenting, with each chapter tightening the sense that no choice is without consequence.

At its emotional core, *Unfinished Businezz* forces a reckoning with morality and self-preservation. Kenni is confronted with a devastating question: protect his own life, or risk everything to save someone else. The answer is anything but simple, and the repercussions ripple outward in unexpected and explosive ways.

Designed for readers who crave high-intensity thrillers with psychological depth, *Never Get Too Comfortable II* raises the series to a new level of suspense while setting the stage for a climactic conclusion. With its relentless momentum and morally charged dilemmas, the novel refuses to let readers settle into safety—reinforcing the very warning its title delivers.

The book will be released April 3, 2026, and pre-order is now available on Amazon and other major outlets. Secure your copy here: <https://a.co/d/01zi5ZkR>
