World Study Expo Announces 2026 Global Online Education Fair Connecting Students Across 30+ Countries

WORLD STUDY EXPO

Dubai, United Arab Emirates Feb 10, 2026 ([Issuewire.com](https://www.issuewire.com)) - [World Study Expo](https://www.worldstudyexpo.com) has officially announced the launch of its highly anticipated **World Study Expo 2026**, set to take place in September and October 2026. The event will run across multiple weekends (Thursday to Sunday), with region-specific schedules available on the official website.

Recognized as the world's first multi-country online university fair, World Study Expo 2026 will connect students from more than 30 countries with leading universities and institutions across the Middle East, America, Europe, Africa, Asia, and Australia & Oceania. The innovative online format enables students and academic institutions to interact seamlessly without the limitations of geographical boundaries.

Unlike traditional study abroad fairs that require physical attendance, World Study Expo offers a fully digital experience. Students can participate from the comfort of their homes, eliminating travel time and expenses. They can attend live university presentations, engage in direct one-to-one meetings, and explore global study opportunities—all through a secure and user-friendly online platform.

For universities and educational institutions, the expo presents a cost-efficient and strategic student recruitment solution. By removing the need for travel arrangements, physical booths, and associated event expenses, institutions can save 100% of their traditional exhibition costs. The platform also provides advanced filtering tools, allowing universities to identify and connect with students based on preferred courses, academic background, study destination interests, and more. This targeted approach ensures high-quality engagement and meaningful conversations makes World Study expo as a best [student recruitment](#) university fair

World Study Expo stands out as a unique and forward-thinking concept in international student

recruitment. By combining global reach with digital convenience, it creates equal opportunities for institutions and students to connect effectively and efficiently.

The detailed regional schedule for World Study Expo 2026 is now available on the official website. Students, parents, schools, and universities are encouraged to register early and secure their participation in this global online education event.
