Duke, is now available for pre-order ahead of its official release on April 17, 2026. Blending themes of human resilience, forbidden love, and the harsh realities of conflict, this story offers readers an unforgettable journey through tragedy, hope, and sacrifice.

At the heart of the novel is Aharon Levy, a young Jewish boy whose life is forever altered when Palestinian terrorists attack his family during a trip in Israel, leaving him the sole survivor. Rescued by Israeli Defense Forces officers, Aharon grows up carrying the weight of his past while striving toward a future in medicine.

Years later, while attending medical school, Aharon meets Al Zahra, a brilliant and compassionate Muslim woman from Palestine. Bound by their deeply rooted religious beliefs, the two maintain a close friendship despite a growing and undeniable love for one another. After graduation, their paths diverge—Aharon becomes a medical officer in the Israeli Defense Forces, while Al Zahra rises as a professor at a medical school in Iran.

When war erupts between Israel and Iran, fate intervenes in a dramatic and tragic way. Aharon is captured behind enemy lines, gravely wounded and fighting for his life. In an unexpected twist of destiny, he finds himself under the care of Al Zahra—his lost love. In a final act of courage and devotion, she sacrifices her own life to save his.

The Last Prophecy is a poignant exploration of love that transcends borders, faith, and conflict, offering readers a deeply human story set against the backdrop of geopolitical turmoil.
