

## A Powerful Tale of Survival and Identity in “Running Moccasins” by Karen Dee Musson

**Benbrook, Texas Mar 28, 2026** ([Issuewire.com](http://Issuewire.com)) - The historical fiction novel *Running Moccasins* by Karen Dee Musson brings readers into the heart of a Lakota Sioux camp, exploring survival, love, and cultural tension. Published on March 20, 2026, on Amazon, this compelling story captures human emotion against a backdrop of danger and compassion, making it a meaningful and engaging read.

### **About the book:**

Set within a Lakota Sioux camp, “Running Moccasins” unfolds a deeply emotional story shaped by compassion and conflict. When the tribe rescues a wounded white man, Roger, their act of kindness soon threatens their safety as the U.S. Army begins searching for him. Meanwhile, personal struggles grow within the camp. Koowa finds love and hope through his bond with Sunflower, while Prairie Dawn faces jealousy and emotional turmoil that strains her marriage with Chief White Horse. Burdened by grief and rising anger, White Horse begins to consider revenge, placing the tribe at risk. As relationships deepen and tensions rise, the story explores powerful themes of loyalty, love, grief, and identity, drawing readers into a world where every choice can change lives forever.

### **About the Author:**

Karen Dee Musson delivers a heartfelt and thought-provoking story that blends history with emotional depth. Through “Running Moccasins,” she presents a vivid portrayal of human resilience, cultural struggle, and personal transformation, offering readers a story that is both meaningful and unforgettable.
