## All India Forensic Science Entrance Test

**Lucknow, Uttar Pradesh May 8, 2026 ([IssueWire.com](https://www.issuewire.com))** - The **All India Forensic Science Entrance Test (AIFSET) 2026** has officially opened registrations, offering aspiring students a centralized and accessible pathway into the rapidly growing field of forensic science. Designed as a **national-level entrance exam**, AIFSET is gaining recognition among students seeking admission into undergraduate and postgraduate forensic science programs across India.

With the increasing demand for forensic professionals in sectors such as law enforcement, cybersecurity, and criminal investigation, AIFSET 2026 aims to bridge the gap between talent and opportunity through a streamlined and fully online examination process.

### AIFSET 2026: Key Highlights

- **Mode:** Online (Remote Proctored Exam)
- **Duration:** 60 Minutes
- **Exam Date:** 28 March 2026
- **Result Date:** 30 March 2026
- **Courses Offered:** B.Sc & M.Sc in Forensic Science and related fields

The exam allows students to appear from the comfort of their homes using a laptop, mobile, or desktop, making it one of the most accessible entrance exams in India.

### Gateway to 150+ Partner Universities

AIFSET provides access to **150+ partner universities across India**, including reputed institutions offering specialized programs in forensic science, criminology, and cyber forensics.

Students who qualify can participate in counseling sessions and choose universities based on their rank, preferences, and career goals.

## Courses Offered Through AIFSET

Candidates qualifying AIFSET can pursue a wide range of programs, including:

Undergraduate Programs:

- [B.Sc Forensic Science](#)
- B.Sc Forensic Science & Criminology
- B.Sc Cyber Forensic
- B.Sc Cyber Security

Postgraduate Programs:

- M.Sc Forensic Science
- M.Sc Cyber Forensic
- M.Sc DNA Fingerprinting & Profiling
- M.Sc Forensic Psychology

These programs are designed to equip students with practical skills in crime scene investigation, digital forensics, and laboratory analysis.

Why AIFSET is Emerging as a Preferred Choice

AIFSET stands out among entrance exams due to its:

- **Fully Online Format:** No travel required
- **Wide University Network:** Pan-India admission opportunities
- **Career-Focused Courses:** Industry-relevant specializations
- **No Negative Marking:** Student-friendly evaluation system

Additionally, the participating universities are recognized by UGC and maintain strong academic standards, ensuring valid and valuable degrees.

## Career Opportunities After Forensic Science

Forensic science is one of the fastest-growing career domains in India. Graduates can explore roles such as:

- Forensic Scientist
- Crime Scene Investigator
- Cyber Forensic Analyst
- DNA Analyst
- Forensic Toxicologist

Career opportunities exist in government agencies like CBI, IB, and forensic labs, as well as private sectors such as cybersecurity firms, legal consultancies, and research institutions.

## Eligibility Criteria

- **For B.Sc Programs:** 10+2 with Science stream
- **For M.Sc Programs:** Graduation in Science or related field

Students appearing in their final exams are also eligible to apply.

## Simplified Admission Process

### **AIFSET follows a structured 5-step admission process:**

- Online Registration
- Appear for Exam
- Check Results
- Counseling Session
- Secure Admission

This transparent process ensures equal opportunity for students nationwide.
