

America's Best in Medicine: Erica Williams, MPH, BCBA, for Leadership in Behavioral Health and Clinical Supervision

Clinical Supervisor and Board Certified Behavior Analyst at Star Future Combines Behavioral Expertise and Team Leadership to Improve Outcomes for Children and Families

Dublin, California Mar 13, 2026 ([IssueWire.com](https://www.IssueWire.com)) - Erica Williams, MPH, BCBA, is a dedicated Clinical Supervisor and Board Certified Behavior Analyst with over three and a half years of experience in behavioral health leadership. Currently at Star Future, Erica oversees a team of fifteen employees

while remaining actively involved in client care. Her responsibilities include conducting initial assessments, supervising individualized learning programs, monitoring client progress, and ensuring accurate documentation for insurance and compliance purposes. She works with clients ranging from early childhood through high school, reflecting her deep understanding of developmental and behavioral needs across a broad spectrum.

Erica's academic journey underscores her commitment to both population health and individualized care. She earned her Bachelor's Degree in Public Health from South University, followed by a Master's Degree in Public Health with a focus on Global Health from Southern New Hampshire University. She further enhanced her expertise with a Graduate Certificate in Applied Behavior Analysis from the University of Massachusetts Global. In addition, Erica holds CPR and first aid certifications and maintains an active membership in the American Association of Public Health, ensuring her leadership is grounded in clinical knowledge and current best practices.

Her path into behavioral health was inspired by both professional curiosity and personal experience, including her mother's career as a traveling registered nurse and her son's autism diagnosis. These experiences reinforced her belief in patience, empathy, and understanding behavior as a form of communication. Erica's early work as a Registered Behavior Technician provided hands-on experience that continues to inform her supervisory approach today. Known for her dedication to mentorship, structure, and consistency, she is passionate about helping her team reach their full potential while delivering the highest-quality care to clients.

Looking forward, Erica aims to expand access to behavioral health services within school districts, particularly for underserved children and families. Through her leadership and advocacy, she continues to make a meaningful impact in the field, combining professional expertise with compassion to improve the lives of children, families, and communities across Dublin and beyond.
