

## **America's Best in Medicine: Nomita Kim, MD Compassionate Family Physician Bringing Advanced, Personalized Care to Austin**

Providing Holistic Primary Care, Preventive Health, and Patient-Centered Wellness Solutions

**Austin, Texas Mar 11, 2026 ([IssueWire.com](https://www.issuewire.com))** - With over 22 years of experience as a primary care family physician, Nomita Kim, MD, has been serving the Austin community since 2013, bringing warmth, empathy, and a deeply personal approach to patient care. Inspired by her own family's medical challenges, Dr. Kim understands how overwhelming navigating the healthcare system can feel and strives to make every patient interaction supportive, collaborative, and tailored to individual needs. She believes that forming lasting bonds with her patients is central to promoting overall wellness, often greeting patients with a smile and a hug, and treating each individual as a member of her own family.

Dr. Kim practices at Victory Medical, located at 4303 Victory Drive, Austin, TX 78704, and maintains affiliations with St. David's South Austin Medical Center and Ascension Seton Medical Center Austin. "I enjoy interacting with patients and developing a lasting bond with each of them. I hope to create an environment of mutual respect and collaboration," she says. She provides an aggressive approach to preventative care while integrating innovative treatments such as peptides for longevity. As part of her MDVIP-affiliated concierge practice, Dr. Kim offers advanced health screenings and diagnostic services that go far beyond traditional primary care, giving her patients more time, tools, and guidance to optimize their health. Patients also benefit from conveniences like same- or next-day appointments with minimal waiting.

Dr. Kim's academic and clinical foundation is extensive. She earned a Bachelor of Science in Biology from the University of Central Arkansas in 1993, followed by her Doctorate of Medicine from the University of Arkansas for Medical Sciences in 1998. She completed her internship there from 1998 to 1999 and went on to complete her residency in family medicine at the University of Arkansas for Medical Sciences in Pine Bluff from 1999 to 2001, gaining comprehensive expertise in patient care across the lifespan.

In addition to her clinical work, Dr. Kim has a strong background in pharmaceutical research, with over eight years as a Principal Investigator in clinical studies. She currently serves as a Principal Investigator at both the IMA Clinical Research Austin site and Accelmed Research Institute, beginning in 2021, and has been a Journal Reviewer for the *Journal of Family Practice* since 2011.

Outside of her professional pursuits, Dr. Kim enjoys spending time with her family and emphasizes balance and wellness in both her personal and professional life.

Through her compassionate, patient-centered approach, Dr. Nomita Kim continues to enhance the lives of her patients, providing advanced primary care, preventative solutions, and the kind of personalized attention that turns routine healthcare into meaningful relationships.
