

America's Best In Medicine Recognizes Daniel S. White, DMD, For Leading Cedar Pearl Dental With Top Care In Crestview

Combining Advanced Technology, Flexible Scheduling, and Emergency Care to Serve Patients of All Ages

Crestview, Florida Mar 18, 2026 ([Issuewire.com](https://www.issuewire.com)) - Daniel S. White, DMD, is a highly skilled and dedicated dentist leading Cedar Pearl Dental, a full-service practice committed to delivering comprehensive, patient-focused care for individuals and families throughout the Crestview community. With a strong focus on accessibility, advanced technology, and compassionate service, Dr. White and

his team provide a wide range of dental treatments designed to support both oral health and overall well-being.

Cedar Pearl Dental offers an extensive range of services in-house, allowing patients to receive comprehensive dental care in one convenient location. The practice provides root canals, dental implants, crowns, bridges, oral surgery, and wisdom teeth extractions, ensuring patients have access to both preventive and advanced treatments without the need to visit multiple offices. To further enhance specialized care, a periodontist visits the practice once a month, allowing patients to receive advanced periodontal services without the inconvenience of outside referrals.

Dr. White is deeply committed to making dental care accessible for individuals and families with busy schedules. Cedar Pearl Dental offers extended hours on Tuesdays and Thursdays until 8 PM, as well as one Saturday per month from 8 AM to 1 PM. This flexible scheduling ensures patients can prioritize their oral health while balancing work, school, and family responsibilities.

In addition to convenient hours, the practice provides same-day emergency dental care to address urgent needs. Dr. White understands that dental emergencies can occur unexpectedly, and he is dedicated to ensuring patients receive timely treatment whenever pain or urgent dental concerns arise.

To support high-quality care and patient comfort, Cedar Pearl Dental incorporates advanced dental technologies throughout the practice. The office offers Guided Biofilm Therapy, an innovative approach to dental cleanings that provides a gentler and more effective method for removing biofilm and plaque. The practice also utilizes 3D dental imaging, enabling highly precise diagnostics and treatment planning that improves both outcomes and patient experience.

Dr. White's professional philosophy centers on building lasting relationships with his patients while providing the highest standard of dental treatment. His experience in general dentistry, cosmetic procedures, and oral surgery allows him to offer the full spectrum of services families may need under one roof. From routine preventive care and restorative treatments to complex oral surgery and cosmetic smile enhancements, Dr. White takes time to understand each patient's goals and concerns before recommending treatment.

His patient-centered approach reflects a belief that dental care should always be delivered with both skill and compassion. By focusing on trust, clear communication, and individualized treatment planning, Dr. White helps patients feel comfortable and confident throughout their dental experience.

Dr. White earned his Doctor of Dental Surgery Degree from the University of Pittsburgh School of Dental Medicine. He further expanded his clinical training by completing a General Practice Residency at the University of Utah, where he gained advanced experience in comprehensive dental care and complex procedures.

In addition, Dr. White has pursued advanced training in sedation dentistry and completed additional education through the Whitecap Implant Institute, strengthening his expertise in implant dentistry and advanced restorative techniques. His commitment to continuing education ensures that he remains up-to-date with the latest developments in cosmetic dentistry, oral surgery, and patient comfort technologies.

Earlier in his career, Dr. White practiced dentistry in Alaska, where he provided care to patients with complex dental needs in diverse clinical settings. This experience helped shape his comprehensive approach to dentistry and strengthened his ability to address a wide variety of oral health concerns.

“What I enjoy most about practicing dentistry is the opportunity to make a real difference in my patients’ lives, especially in moments of urgent need. Providing care that alleviates pain, restores function, and improves overall health is incredibly rewarding, and I take pride in being able to help patients feel comfortable, confident, and cared for,” says Dr. White.

Beyond his clinical expertise, Dr. White emphasizes creating a welcoming and supportive environment for every patient who visits Cedar Pearl Dental. His goal is to ensure individuals and families feel valued, respected, and confident in the care they receive.

Through a combination of comprehensive dental services, flexible scheduling, emergency availability, and advanced treatment technologies, Dr. Daniel S. White and Cedar Pearl Dental have established a trusted presence within the Crestview community. By prioritizing both patient comfort and clinical excellence, the practice continues to serve as a reliable resource for high-quality dental care for patients of all ages.
