

America's Best in Medicine Recognizes Lauren Green, RN, for Excellence in Patient-Centered Nursing

Registered Nurse at BayCare Health System Combines Clinical Expertise, Compassion, and Leadership to Deliver High-Quality Care Across Diverse Settings

Tampa, Florida Mar 13, 2026 ([IssueWire.com](https://www.issuewire.com)) - Lauren Green, RN, is a dedicated and compassionate registered nurse at BayCare Health System, known for her patient-centered approach and commitment to excellence. With hands-on experience spanning neuroscience, adult health, women's health, pediatrics, and mental health, Lauren adapts seamlessly to the diverse needs of her patients while thriving in fast-paced, dynamic healthcare environments. Her strong skills in communication, teamwork, and clinical judgment ensure high-quality care in every interaction.

Lauren earned her Associate of Science in Nursing from Hillsborough Community College, completing extensive clinical rotations at Tampa General Hospital, Florida West Tampa Hospital, AdventHealth Tampa, and St. Joseph Hospital. Before becoming an RN, she built a solid foundation in patient care as an LPN and patient care technician with VITAS Healthcare, Maxim Healthcare Services, and Jackson Health System, gaining expertise in critical care, tele-triage, and patient advocacy. These experiences shaped her ability to deliver evidence-based care with empathy and professionalism.

"What I enjoy most about practicing medicine is the opportunity to learn something new every day," says Lauren. "No two days are ever the same, and I thrive in a fast-paced environment that keeps me engaged. Beyond the intellectual stimulation, there is a profound sense of fulfillment in knowing my work directly impacts patients' lives. The rush I feel when making a difference, no matter how small, drives my passion and motivates me to continually grow as a clinician."

In addition to her clinical work, Lauren is a published author, having released *Nursing School & Motherhood: How to Juggle Them Both and Succeed* in 2024. The book shares her personal journey balancing parenting with the rigorous demands of nursing education and offers guidance, inspiration, and practical strategies for aspiring nurses navigating similar challenges.

Lauren is also an active member of the Florida Nurses Association and Phi Theta Kappa Honor Society, and she dedicates time to volunteering with Feeding Tampa Bay, reflecting her commitment to community service.

Passionate, resilient, and deeply dedicated, Lauren Green continues to inspire patients, colleagues, and the next generation of nurses. Through her combination of clinical expertise, compassionate care, and leadership, she exemplifies the values of excellence, service, and lifelong learning that define the nursing profession.
