

## America's Best in Medicine Spotlights Tonya P. Clayton: Strategic Nursing Leader Advancing Patient Care & Research

Nurse Manager in Hematology/Oncology Research at ECU Health in Greenville, North Carolina, Champions Evidence-Based Practice, Multidisciplinary Collaboration, and Innovation to Improve Patient Outcomes

**Greenville, North Carolina Mar 11, 2026** ([IssueWire.com](https://www.IssueWire.com)) - Tonya P. Clayton, BSN, RN, is a strategic nursing leader with a proven track record in advancing professional nursing practice and enhancing patient care quality across complex healthcare systems. With her extensive experience in

clinical operations, research coordination, and evidence-based practice, Tonya is recognized for her dedication to fostering a culture of accountability, innovation, and continuous improvement within the nursing profession.

Currently serving as the Nurse Manager in Hematology/Oncology Research at ECU Health in Greenville, North Carolina, Tonya oversees nursing operations and leads multidisciplinary teams in clinical trials, integrating emerging research into practice to optimize patient outcomes. Her commitment to patient-centered care is evident in her previous roles, where she provided specialized care for patients with sickle cell disease and excelled as a travel nurse. In high-acuity, high-volume clinical environments, Tonya has consistently demonstrated her ability to adapt swiftly while maintaining excellence in patient care and documentation.

Her leadership experience is diverse, encompassing roles as Clinical Manager, Clinical Nursing Director, and Location Manager, where she effectively managed clinical operations, staff development, and regulatory compliance. Her expertise extends to her tenure as a Nurse Consultant for the Department of Health and Human Services, where she provided clinical guidance, participated in audits, and advocated for patient rights, ensuring that the highest standards of care are upheld.

In addition, Tonya's role as a Clinical Research Coordinator showcases her ability to coordinate complex trials and collaborate effectively with interdisciplinary teams. Her strong network of healthcare providers enhances her capacity to drive quality outcomes and elevate nursing practice.

An advocate for education and mentorship, Tonya is currently pursuing a Master of Science in Nursing with a focus on Education from Chamberlain University, expected to be completed in June 2026. She also holds a Bachelor of Science in Nursing from Aspen University and an Associate Degree in Nursing from Lenoir Community College. Throughout her career, Tonya has exemplified a commitment to nurturing the next generation of nursing leaders through education, research, and clinical innovation.

Tonya P. Clayton's unwavering dedication to excellence in nursing practice and her focus on enhancing patient outcomes position her as a prominent leader in the field, inspiring others to follow in her footsteps.
