

## Ankita Sharma, BDS, MDS, DMD, Recognized By America's Best In Medicine, Serves As Trusted Dentist In Michigan

Delivering Expert, Compassionate, and Preventive Dental Care to Enhance Oral Health for Patients of All Ages

**White Lake, Michigan Mar 3, 2026** ([Issuewire.com](https://www.Issuewire.com)) - Ankita Sharma, BDS, MDS, DMD, is a skilled and compassionate dentist at Family Health Care at the Baldwin dental clinic, located at 1615 Michigan Avenue. She provides comprehensive preventive and restorative dental care for patients of all ages,

emphasizing education, early intervention, and personalized treatment plans. Dr. Sharma is committed to improving oral health outcomes by fostering strong patient relationships and delivering care that addresses both immediate needs and long-term wellness.

Dr. Sharma earned her Doctor of Medicine in Dentistry (DMD) from Boston University's Henry M. Goldman School of Dental Medicine. She also holds a Bachelor of Dental Surgery (BDS) and a Master of Dental Surgery (MDS) in Oral Biology and Oral and Maxillofacial Pathology from Manipal College of Dental Sciences, India. Her expertise in oral pathology and clinical research equips her to perform advanced oral cancer screenings, provide early detection, and educate patients on oral health risks, including the impact of smoking, alcohol use, and nutrition.

Throughout her academic career, Dr. Sharma has been recognized for excellence, including receiving the prestigious TMA Pai Gold Medal for outstanding research. Her professional interests include pain management, oral cancer awareness, and expanding access to quality dental care in underserved communities.

"Despite hearing 'I hate the dentist' at least once a day, I find the practice of dentistry satisfying as we have the ability to alleviate pain and suffering," Dr. Sharma says. "Dentistry has a great impact on quality of life as teeth directly impact function and general health. I also feel grateful to have the opportunity to spread awareness on common oral health concerns, educating patients on impacts of smoking and alcohol addiction, oral cancer screening and awareness, and the link of nutrition and oral health."

Dr. Ankita Sharma takes pride in connecting with patients from diverse backgrounds, helping them feel confident in their smiles through compassionate, evidence-based care. Her dedication to both patient education and high-quality clinical treatment underscores her commitment to fostering healthy, confident communities in Baldwin and beyond.
