# Davenport & Associates Launches Webinar Series to Help Families Maximize Retirement Income Led by John F Davenport

**Norwalk, Connecticut Mar 5, 2026 (Issuewire.com)** - Davenport & Associates, under the leadership of **John F. Davenport, Esq.**, a licensed estate planning attorney and **financial advisor Norwalk CT**, today announced a new monthly webinar series to guide people heading into or in retirement as well as families across the country toward confident retirement and estate planning planning.

**John F. Davenport**, founder of **J. Davenport Advisors** and Davenport & Associates in **Norwalk, Connecticut**, brings over 30 years of experience as a **financial advisor**, **investment advisor in Norwalk**, and **Norwalk licensed tax attorney** to the series. Each live, virtual webinar features **John F. Davenport** presenting his trademarked **Wealth Maximization Method** — a client-centered approach that combines estate planning foundations (revocable living trusts, probate avoidance, Medicaid asset protection, blended family solutions) with tax-efficient retirement income strategies, Roth conversions, and generational wealth transfer to heirs.

“Retirement and legacy planning go hand-in-hand,” said **John F. Davenport, Esq.**, **financial advisor Norwalk CT** and **investment advisor Norwalk**. “The Wealth Maximization Method shows families how to use assets more effectively during retirement while building stronger, values-aligned legacies. Our goal is to deliver clear, nationwide virtual guidance that gives clients true peace of mind.”

The free webinars are open to anyone interested in retirement income, tax-efficient wealth strategies, or estate planning. Attendees receive a complimentary copy of John’s book, *The Wealth Maximization Method*. Registration and dates are available at: https://iwantmywealthplan.com/wealth-max-web

The announcement follows strong recent online performance: two articles from **John F. Davenport** — “Retirement Planning 101: The 4% Rule Explained Simply and Why It Still Works in 2026” and “How Much Do I Really Need to Retire Comfortably in 2026?” — have earned nearly 40,000 Google impressions in the past two months, reflecting growing demand for straightforward retirement and legacy advice.
