

Dedicated Nurse Kimberley Bricker, Recognized By America's Best In Medicine, Celebrates 25+ Years Of Care throughout TX and AK

Advocating for Patient-Centered Care and Continuous Learning in Pediatric and Obstetric Nursing

Ketchikan, Alaska Mar 17, 2026 ([IssueWire.com](https://www.issuewire.com)) - Kimberley Bricker, BSN, RNC-OB, a dedicated registered nurse with over 25 years of experience, is currently making a significant impact at the PeaceHealth Pediatric Clinic in Ketchikan, Alaska. With a specialization in pediatric and obstetric care,

Kimberley embodies the organization's commitment to patient-centered care, emphasizing compassion, attention to detail, and strong interpersonal communication.

Kimberley's nursing philosophy focuses on providing individualized education and support to every child and family she serves. Her extensive clinical experience spans various settings, including labor and delivery, mother-baby care, pediatrics, and critical access hospitals. This diverse background has equipped her with the adaptability and teamwork skills essential for delivering holistic care during some of life's most meaningful moments.

"I truly enjoy helping others—being able to make a meaningful difference in people's lives, especially during vulnerable moments, and knowing that my care, compassion, and expertise directly support their health, comfort, and well-being," Kimberley shared about her passion for nursing. Her dedication to patients goes beyond clinical care; she is particularly passionate about educating and reassuring parents, empowering them to navigate child health and development with confidence.

In addition to her hands-on experience, Kimberley is committed to continuous learning and innovation in healthcare. She is currently pursuing a Master's degree in Nursing Informatics at Western Governors University. This commitment to educational advancement showcases her belief in the importance of staying current with healthcare trends and technology, further enhancing her ability to provide high-quality care.

"Kimberley's collaborative mindset and focus on diversity and inclusion are essential components of high-quality patient care," said a colleague at PeaceHealth. "Her empathy and professionalism shine through in every interaction she has with patients and their families, making a lasting impact on the community."

As part of her ongoing professional development, Kimberley actively participates in workshops and seminars aimed at improving pediatric care and fostering community health education. Her contributions extend beyond the clinic, as she often engages with local organizations to promote health awareness and education for families in Ketchikan.
