

## Dr. Patel: A Leader in Interventional Cardiology at South Orange Avenue Medical Associates

Innovative Care for Heart and Vascular Disorders in New Jersey

**Newark, New Jersey Mar 5, 2026 ([Issuewire.com](https://www.issuewire.com))** - Dr. Patel, an esteemed Interventional Cardiologist and Managing Partner at South Orange Avenue Medical Associates, proudly serves the South Orange and Newark communities with exceptional heart and circulatory care. With a comprehensive understanding of both general medicine and cardiovascular diseases, Dr. Patel employs innovative techniques to diagnose and treat a wide spectrum of heart-related disorders.

Dr. Patel's impressive educational background lays the foundation for his expertise. He graduated Cum Laude from the Stern School of Business at New York University before earning his medical degree from SUNY Upstate Medical University in Syracuse, New York. His extensive training in Internal Medicine and Cardiology was completed at Rutgers-Robert Wood Johnson Medical School, where he was notably recognized with Excellence in Clinical Teaching awards, a testament to his dedication and passion for education.

As a board-certified specialist, Dr. Patel holds certifications in cardiovascular disease, interventional cardiology, nuclear cardiology, adult comprehensive echocardiography, and internal medicine from the American Board of Internal Medicine (ABIM). His additional expertise in managing Peripheral Vascular disorders is validated by his certification as a Registered Physician in Vascular Interpretation (RPVI), which underscores his commitment to maintaining the highest standards in vascular ultrasound documentation.

Dr. Patel's professional affiliations further highlight his dedication to advancing the field of cardiology. He is a Fellow of both the American College of Cardiology (FACC) and the Society of Cardiovascular Angiography and Interventions (FSCAI), participating in ongoing education and research to enhance patient care.

In conclusion, Dr. Patel stands out as a leader in interventional cardiology, combining extensive knowledge with compassionate care. His practice at South Orange Avenue Medical Associates is committed to improving the heart health of the community, ensuring that every patient receives the highest level of medical attention.
