

Former City Attorney Debuts Florida Keys Thriller on March 11, 2026

Miami, Florida Mar 5, 2026 (Issuewire.com) - Paradise hides deadly secrets in *Where Nobody Knows Her Name*, a new thriller by former City Attorney Lynn M. Dannheisser, releasing on March 11, 2026.

Set in the Florida Keys, the novel follows Layla Leslie, a newly appointed village attorney whose dream job turns into a nightmare when the body of her predecessor washes ashore. As Layla investigates, she uncovers a web of corruption, offshore money, vanishing locals, and criminal power operating in plain sight. The last attorney died chasing the truth — and Layla may not survive completing his work.

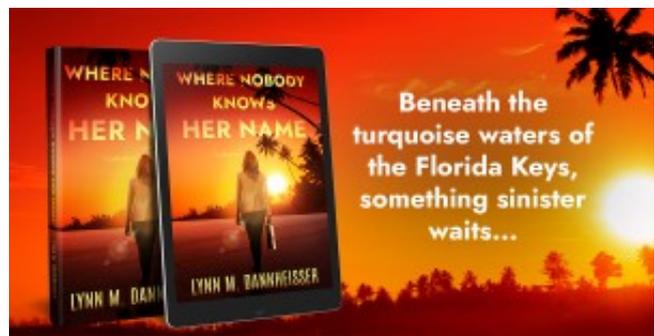

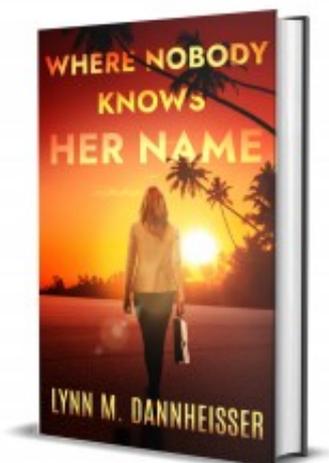

Drawing from decades of real-world experience in municipal law and government, Lynn Dannheisser delivers rare authenticity in a fast-paced story of justice, power, and betrayal beneath turquoise waters and sunlit streets.

"Where Nobody Knows Her Name" combines the legal tension of John Grisham with the Florida noir atmosphere of Carl Hiaasen."

Lynn Dannheisser is available for interviews, podcast appearances, library events, and book club discussions.
