

Fun Foods Canada Launches New Products at Canada's Leading Hospitality & Foodservice Trade Event

Fun Foods Canada is Exhibiting at the 2026 Restaurant Canada Show with exciting ice cream, gelato, bakery, cafe and restaurants related products.

Ontario, Canada Mar 6, 2026 ([IssueWire.com](http://www.IssueWire.com)) - Fun Foods Canada is pleased to announce that we will be exhibiting at **RC Show 2026**. Canada's leading hospitality and foodservice trade event, taking place **March 8–10, 2026** at **The International Centre in Mississauga, Ontario**. We will be welcoming visitors in **Hall 5 at Booth #5901**.

RC Show brings together foodservice operators, suppliers, and industry leaders from across Canada to explore new products, discover trends, and find solutions to today's business challenges. Our presence at the show reflects our ongoing commitment to supporting food and beverage businesses with the specialized products they need to stand out and grow.

As an online foodservice distributor (<https://funfoods.ca>) focused exclusively on fun food supplies in Canada, Fun Foods Canada offers a wide range of ingredients, packaging, equipment, and cleaning supplies tailored to modern foodservice operations. Our portfolio is designed for ice cream and gelato shops, bubble tea and juice bars, coffee and tea concepts, slushie programs, concession stands, and a wide variety of cafés, bakeries, and restaurants.

At our booth we will be able to:

- Explore fun food ingredients, toppings, and beverage solutions for ice cream, gelato, bubble tea, coffee, tea, slushies, and more.
- Learn about equipment options that help streamline production and improve consistency.
- Discover packaging and disposables that balance functionality, branding potential, and customer experience.
- Talk with our team about cleaning and back-of-house supplies that support safety, efficiency, and compliance.

“We’re excited to connect in person with current and future customers at RC Show 2026,” said the Fun Foods Canada team. “Our goal is to make it easier for operators to deliver memorable, profitable ‘fun food’ experiences, whether they run a neighbourhood ice cream shop, a busy bubble tea bar, or a fast-paced bakery, café or restaurant. The show is a great opportunity to have detailed conversations about menus, operations, and growth plans.”

Foodservice professionals visiting RC Show 2026 are encouraged to stop by **Hall 5, Booth #5901** to meet the Fun Foods Canada team, see a selection of featured products, and discuss how our online distribution model can simplify ordering across multiple categories.
