

## Generation Kill: Artwork of a Peace Warrior

**Minneapolis, Minnesota Mar 11, 2026 ([Issuewire.com](http://www.Issuewire.com)) - Warrior, Healer, Artist: Illuminatè Steele**

Minneapolis-based electronic musician and Marine veteran Priscilla Goodbear—operating under the experimental persona Illuminatè Steele—seamlessly merges the roles of warrior, healer, and artist. She transforms her passion for activism, mindfulness, and music into a powerful creative movement. Her diverse pursuits include:

- **Mindfulness & Advocacy:** A dedicated mindfulness teacher, she is an outspoken advocate for military veterans, Missing and Murdered Indigenous Women (MMIW) and sexual assault survivors.
- **Direct Community Action:** Goodbear made *Star Tribune* headlines by courageously rappelling thirteen stories down the Omni Viking Lakes Hotel in Eagan, MN to raise essential funds to combat local homelessness.
- **Dynamic Musical Expression:** Illuminatè Steele's music effectively channels societal tension into captivating, unique soundscapes and bass driven grooves.

On January 24, 2026, she independently released *Anima Animas (The Gemini Rework)*. This two-track electronic single serves as a direct, immediate response to recent ICE protest tensions in Minneapolis.

Ultimately, Goodbear's work thrives at the exact intersection of profound healing, active resistance, and creative expression.
