Royal Palm Beach-based O&J Auto Sales brings over 20 years of dealer expertise online, helping Florida sellers get an instant cash offer for their vehicle and sell their car for top dollar – no dealerships, no delays.

Royal Palm Beach, Florida Mar 23, 2026 ([IssueWire.com](https://www.IssueWire.com)) - Otis and Juli of O&J Auto Sales LLC run I Buy Your Ride. They have announced that their online vehicle buying platform will now be available to car owners all over Florida. The service makes an [instant cash offer for cars](#) in just three easy steps. It combines the openness of a licensed dealership with the speed and ease of a fully digital experience.

The platform is made for Florida drivers who want to get the most money for their car without the lowball trade-in tactics of a dealership or the time and safety risks of a private sale.

Dealer Expertise Behind Every Offer

Unlike algorithm-only platforms, I Buy Your Ride is backed by Otis, who has been appraising vehicles since 2005. Because Otis and Juli actively purchase cars for O&J Auto Sales inventory, every offer reflects genuine market demand – not a formula designed to undercut the seller.

“We’re buying cars we actually want for our lot,” said **Otis, Co-Owner of I Buy Your Ride**. “That means sellers get a number we can genuinely justify. There are no games, no pressure, and no hidden deductions – just a straightforward deal that works for both sides.”

As a licensed Florida Motor Vehicle Dealer with a physical location in Royal Palm Beach, I Buy Your Ride operates as a credible and verifiable **online car buying service** – one that sellers can trust with confidence.
