

Innovative Foot and Ankle Care in Columbus: Dr. Jennifer A. Monaco Elevates Podiatry Standards

Board-Certified Podiatrist Brings Advanced Treatment Options and Compassionate Care to Local Community

Columbus, Georgia Mar 17, 2026 ([Issuewire.com](https://www.Issuewire.com)) - Dr. Jennifer A. Monaco, DPM, FACFAS, DABPM, a distinguished board-certified podiatrist, is revolutionizing foot and ankle care at the Ankle &

Foot Centers of America. With her unwavering commitment to patient-centered care, Dr. Monaco offers a comprehensive range of advanced foot care services designed to meet the unique needs of individuals from diverse backgrounds.

Dr. Monaco recognizes the significant impact that foot and ankle conditions can have on a person's quality of life. She specializes in both surgical and non-surgical treatments for a variety of ailments, including sprains, fractures, tendon injuries, and plantar fasciitis. Her holistic approach not only focuses on effective treatment but also emphasizes patient education, helping individuals understand their conditions and maintain optimal lower extremity health.

"As your doctor, I strive to provide the most cutting-edge, all-inclusive surgical and nonsurgical foot and ankle care with a personal touch," asserts Dr. Monaco. "By fostering a friendly, inclusive environment for healing, I aim to offer excellent patient care. Our diverse methods of care enhance access to our services, allowing us to restore foot and ankle function while ensuring patient satisfaction."

Dr. Monaco's impressive credentials reflect her dedication to podiatry. She earned her Doctor of Podiatric Medicine from the esteemed New York College of Podiatric Medicine, followed by a residency in podiatric surgery at Scripps Mercy Hospital and Kaiser Foundation Hospital in San Diego. Her specialized training includes a fellowship in limb lengthening and reconstruction at Sinai Hospital's Rubin Institute for Advanced Orthopedics and an A.O. trauma fellowship at Inselspital University of Bern in Switzerland.

In addition to her clinical practice, Dr. Monaco actively participates in humanitarian efforts, leading medical missions that provide free reconstructive surgeries in underserved communities. Her commitment to giving back demonstrates her compassionate nature and desire to improve lives.

Dr. Monaco is also recognized for her innovative spirit, being the only surgeon in the Columbus area trained in the Frail technique. She recently performed a groundbreaking "frame over nail" operation using the Orthofix system for a complex diabetic Charcot deformity, showcasing her expertise and dedication to advancing podiatric care.
