

Jennifer R. Haasch, BSN, RN, Recognized by America's Best in Medicine, Advances Patient Care in South Carolina Today

House Supervisor at Piedmont Medical Center Guides Clinical Operations, Staff Coordination, and Excellence in Patient Care

Fort Mill, South Carolina Mar 4, 2026 (Issuewire.com) - Jennifer R. Haasch, BSN, RN, is a distinguished House Supervisor at Piedmont Medical Center in Fort Mill, South Carolina, where she provides leadership in clinical operations, staff coordination, and patient care management. Known for her compassionate approach, professionalism, and commitment to continuous improvement, Jennifer

ensures efficient workflows and high standards of care that enable hospital teams to deliver exceptional patient outcomes.

In addition to her role at Piedmont Medical Center, Jennifer serves as a Nursing Supervisor at MUSC Health in Lancaster and as a Nursing Manager at HSHS St. Nicholas Hospital. Across these positions, she has demonstrated expertise in operational oversight, emergency response coordination, and the implementation of evidence-based practices that enhance both patient safety and staff performance.

Jennifer earned her Bachelor of Science in Nursing (BSN) from Chamberlain University in 2013, after receiving her Registered Nurse (RN) and Licensed Practical Nurse (LPN) credentials from North Central Technical College. She is certified in Advanced Cardiac Life Support (ACLS) and Basic Life Support (BLS) and is proficient in healthcare management systems such as PeopleSoft and Microsoft Word. Her exceptional leadership was recognized through a nomination for the Knighting Gale Award, highlighting her dedication to patient care and team support.

Beyond her professional responsibilities, Jennifer actively volunteers with her local fire department, reflecting her commitment to community service and public safety.

Through nearly two decades of nursing practice, administrative expertise, and hands-on leadership, Jennifer R. Haasch continues to shape the future of healthcare delivery, ensuring patients receive compassionate, high-quality care while fostering a supportive and effective environment for medical teams.
