

## Kelsey Luce, PA-C Recognized By America's Best In Medicine For Advancing Pediatric Care At Sanford West Dickinson Clinic

North Dakota-Based Certified Physician Assistant Provides Compassionate, Comprehensive Healthcare for Children and Adolescents

**Dickinson, North Dakota Mar 3, 2026** ([IssueWire.com](https://www.IssueWire.com)) - Dickinson, North Dakota — Kelsey Luce, PA-C, a Certified Physician Assistant, is a dedicated healthcare professional at Sanford West Dickinson Clinic, where she advances pediatric medicine and supports the well-being of her community. With a

strong foundation in both pediatric and emergency care, Kelsey provides comprehensive medical services tailored to the unique needs of children and adolescents, ensuring that every patient receives personalized, compassionate attention.

Kelsey offers a full spectrum of pediatric care, including the management of common illnesses and injuries, preventive services such as immunizations and health screenings, wellness checkups, and lifestyle education. Her background in emergency medicine equips her to respond effectively to urgent situations while maintaining a calm and reassuring environment for her patients and their families.

A graduate of the University of North Dakota, Grand Forks, Kelsey is board-certified by the National Commission on Certification of Physician Assistants and is an active member of both the American Academy of Physician Associates and the North Dakota Academy of Physician Assistants.

Outside of her professional life, Kelsey enjoys quilting, cross-stitch, pottery, and spending quality time with her husband, reflecting the same care and dedication she brings to her patients.

### **America's Best in Medicine**

America's Best in Medicine is a specialist online platform dedicated to amplifying the voices of leading healthcare professionals across the United States. They bring together top healthcare providers from all specialties and cities to share expert-driven articles, research, commentary, and clinical insight. Their core purposes are to showcase excellence in healthcare, build trust between providers and the public, and ensure that expert voices are elevated and heard in shaping medicine. Through their platform, users can access a community of leaders, opportunities for providers to share expertise, and trusted guidance for patients and peers alike.
