

Leading Ayurvedic Expert Dr. Rajeev K. Nambiar Transforms Chronic Care at an Ayurvedic Clinic in Hinjewadi, Pune

Dr. Nambiar's Advanced Ayurveda

Pune, Maharashtra May 27, 2026 (IssueWire.com) - Dr. Nambiar's Advanced [Ayurvedic Clinic in Hinjewadi](#), with locations in Hinjewadi and Aundh, is gaining recognition as one of Pune's leading centers for advanced Ayurvedic treatment, offering specialized care for chronic and complex health conditions. Led by Dr. Rajeev K. Nambiar, a highly experienced Ayurvedic practitioner with over 28 years of postgraduate expertise, the clinic is known for delivering personalized and result-oriented

therapies.

The clinic provides a comprehensive range of Ayurvedic treatments targeting chronic disorders such as arthritis, autoimmune diseases, spine conditions, neurological disorders, and metabolic diseases. Patients seek treatment here for conditions including rheumatoid arthritis, ankylosing spondylitis, psoriasis, migraine, neuropathy, sciatica, diabetes, and more.

Dr. Nambiar's approach combines traditional Ayurvedic wisdom with modern diagnostic understanding. Each patient receives a customized treatment plan that may include detoxification therapies (Panchakarma), herbal formulations, dietary modifications, and lifestyle guidance. This holistic model aims not just at symptom relief but long-term healing and improved quality of life.

"Our goal is to address the root cause of disease rather than just managing symptoms," said Dr. Rajeev K. Nambiar. "Ayurveda offers powerful solutions for chronic conditions when applied with precision and personalization."

The clinic has built a strong reputation for managing difficult and long-standing cases, particularly in areas such as spine disorders, autoimmune diseases, and nerve-related conditions. Its patient-centric philosophy and consistent outcomes have made it a preferred destination for Ayurvedic care in Pune.

Key Treatment Areas Include:

- Arthritis and Osteoarthritis
- Ankylosing Spondylitis
- Autoimmune Disorders
- Diabetes Management
- Back Pain and Spine Disorders
- Migraine and Neurological Conditions
- Psoriasis and Skin Disorders
- Sciatica and Neuropathy
- Frozen Shoulder and Joint Disorders
- Rare conditions such as Takayasu Arteritis and Trigeminal Neuralgia
