

## Lens & Frames Optical Inc Nominated in Multiple Categories in CommunityVotes Guelph 2026

Guelph optical retailer recognized across several healthcare and retail eyewear categories on the CommunityVotes Guelph platform.

**Guelph, Ontario Mar 12, 2026 ([IssueWire.com](https://www.issuewire.com))** - **Lens & Frames Optical Inc**, a locally owned optical business serving the Guelph community, has been nominated in multiple categories on the **CommunityVotes Guelph** platform. The recognition highlights the company's ongoing work providing eyewear products and professional optical services to residents throughout the region.

CommunityVotes Guelph is a community-driven recognition program where residents nominate and vote for local businesses they value across a wide range of service categories. Lens & Frames Optical Inc has been nominated in several categories including Contact Lenses and Eyeglasses in Healthcare, Optician services, Optometrists in Healthcare, and Sunglasses in Retail Stores.

Founded by **Prem David**, Lens & Frames Optical Inc focuses on providing personalized eye care services along with a wide selection of eyewear products for customers of all ages. The business offers professional guidance and a welcoming retail environment where customers can explore frames and lenses suited to their individual visual needs.

The company works with customers to help them choose eyewear that fits their prescription

requirements, lifestyle preferences, and comfort. Qualified and licensed opticians provide friendly service and assist customers in selecting frames and lenses from a diverse collection of eyewear styles.

Owner Prem David says the nominations reflect the continued support of customers and the local community.

“We are grateful to be recognized by the community and appreciate the support of our customers and local residents,” said David. “Our goal is to provide professional eye care guidance while helping people find eyewear that fits both their vision needs and personal style.”

Lens & Frames Optical Inc continues to serve customers across the region by offering eyeglasses, contact lenses, and sunglasses along with professional optical advice. The team focuses on ensuring each visitor receives attentive service while selecting eyewear designed to meet their visual needs.

Community members who wish to support Lens & Frames Optical Inc in the CommunityVotes Guelph program can participate in the voting process by visiting the [official nomination page](#).

More information about the company’s services and eyewear selection can be found on the company website at [lensandframes.ca/guelph](http://lensandframes.ca/guelph).
