

Maxtown Veterinary Clinic Expands Advanced Pet Dental Care Services in Westerville, OH

Comprehensive pet dental care services in Westerville, OH now available, including cleanings, X-rays, and extractions. Led by Dr. Steve Horvath, this program supports total pet health through advanced, compassionate dental treatment.

Westerville, Ohio Mar 19, 2026 (Issuewire.com) - Pet owners in Westerville, OH now have access to comprehensive dental services designed to support total health care for their pets. Maxtown Veterinary Clinic is offering advanced veterinary dentistry solutions, ensuring pets receive high-quality oral care in

a comfortable, stress-reduced environment.

Dental health plays a vital role in a pet's overall well-being. Untreated dental disease can lead to pain, infection, and even systemic health issues affecting the heart, liver, and kidneys. Recognizing the importance of early prevention and treatment, Maxtown Veterinary Clinic provides a full range of dental services, including professional cleanings, digital dental X-rays, and necessary tooth extractions.

These services are led by Dr. Steve Horvath, who brings a specialized interest in veterinary dentistry along with extensive clinical and academic experience. His background includes teaching general medicine, surgery, and dentistry at The Ohio State University College of Veterinary Medicine, allowing him to deliver a high level of expertise in every procedure. With advanced diagnostics such as dental X-rays, underlying issues can be identified early, often before visible symptoms appear.

In addition to clinical excellence, the clinic follows a Fear Free approach, ensuring that pets experience minimal stress during their visit. Every step—from examination to treatment—is handled with care and attention to each animal's comfort. This approach helps reduce anxiety, making routine dental care more manageable for both pets and their owners.

Conveniently located in Westerville, the practice serves surrounding communities including Galena, Sunbury, Alum Creek, and Harlem. Pet owners are encouraged to prioritize dental care as part of their pet's routine health plan and to schedule regular check-ups to prevent long-term complications.

About Us:

Maxtown Veterinary Clinic was founded on the belief that exceptional veterinary care and a personal client experience should go hand in hand. Located on State Route 3 in Westerville, the clinic serves local families with a community-focused approach that avoids the feel of a corporate practice. Patients and their owners are treated with familiarity, respect, and individualized attention.

The team practices Fear Free veterinary care, focusing on minimizing stress and anxiety during every visit. Led by Dr. Steve Horvath, whose background includes both private practice and academic teaching at The Ohio State University, the clinic combines clinical depth with a welcoming, thoughtful environment.
