Albertville, Alabama Mar 30, 2026 ([IssueWire.com](https://www.issuewire.com)) - I. Australia Registration Progress

**DCKEX Global Exchange Pty Ltd** has successfully completed its company registration in Australia on **March 26, 2026**. Relevant information can be verified through the official system of the **Australian Securities and Investments Commission (ASIC)**.

This registration marks an important milestone in DCKEX's global expansion and compliance journey, laying a solid foundation for further international market development.

## II. Project Background and Positioning

Amid the continuous growth of the global digital asset industry, **DCKEX is committed to building a more open, transparent, and sustainable trading ecosystem**, enabling more users to participate in digital asset markets within a regulated environment and achieve long-term, stable development.

Since its launch on **May 24, 2025**, the platform has continuously invested in technical infrastructure and system development, focusing on enhancing **security, stability, and scalability**, and gradually establishing a solid operational foundation.

Unlike short-term growth models, DCKEX places greater emphasis on **long-term value**, continuously optimizing its technical architecture and operational systems to provide users with a more reliable trading experience.

## III. Core Development Philosophy

DCKEX adheres to a long-term approach, building a sustainable platform ecosystem based on the following principles:

- **Long-termism:** Targeting stable growth while reducing the impact of short-term volatility
- **Compounding model:** Emphasizing value accumulation over time through continuous participation
- **Team collaboration:** Enhancing overall operational efficiency through systematic coordination
- **Tripartite win-win model:** Achieving collaborative growth among the platform, teams, and users

## IV. Global Expansion Strategy for 2026

Looking ahead to 2026, DCKEX is implementing a structured global market strategy, gradually building a multi-regional, coordinated development network:

- Planning to establish **over 100 offline service and brokerage network nodes**
- Setting up regional operational hubs across **Africa, Asia, the Middle East, and South America**
- Advancing localized service capabilities and global resource integration
- Building a **long-term, stable, and scalable market expansion framework**

Through the integration of regional deployment and localized operations, the platform will continue to enhance service efficiency and market responsiveness, driving steady global business growth.

## V. Ecosystem Development Direction

In alignment with its long-term vision, DCKEX will continue to advance the following three core areas:

### 1. Technology & Security

Continuously optimizing system architecture and technical capabilities to enhance overall platform stability and security, ensuring a safe trading environment for users.

## 2. Talent & Education

Building a systematic digital asset education framework to improve user understanding while cultivating professional market service teams.

## 3. Market & Services

Developing an efficient, standardized, and scalable market expansion and service system through a combination of online and offline strategies.

## VI. Future Vision

DCKEX will continue to advance its global strategy and ecosystem development, striving to become a **digital asset trading platform with international influence.**

Through ongoing technological innovation, system enhancement, and global resource integration, the platform will continuously improve its service capabilities—providing users with a more stable, transparent, and long-term value-oriented trading environment.
