

## O'Neill Fernandes Unveils "Golden Melodies From The Heart" - A Warm Journey Through Love, Memory, and Timeless Emotion

**Perth, Western Australia Mar 21, 2026 ([Issuewire.com](http://Issuewire.com))** - Perth musician, composer, guitarist, and producer O'Neill Fernandes announces the release of his new 20-track album, Golden Melodies From The Heart, arriving on 20 March 2026 on SoundCloud and YouTube. The album will be accompanied by AI-generated music videos for every track, bringing each story to life with cinematic colour and emotion.

A celebration of love in all its forms, *Golden Melodies From The Heart* blends nostalgic warmth, romantic storytelling, breezy rhythms, and O’Neill’s signature melodic charm. The album explores the light we inherit from the people who shape us — from the enduring glow of a mother’s love to the spark of new romance, from joyful adventures to moments of quiet reflection.

Early tracks such as “Sunshine In My Heart,” “Joy Follows Me Around,” and “Good Days Are Here Again” honour the guiding presence of a mother’s spirit, setting a heartfelt tone of gratitude and emotional renewal.

The album then opens into bright, uplifting pieces like “The Day Comes Alive,” “Feels Like Summer Inside,” and “The World Is Smiling Too,” celebrating inner sunshine and the beauty found in everyday moments.

A vibrant middle chapter brings rhythm and colour with “A Little Latin In My Heart” and “The Rhythm Lives In Me,” before the album moves into its romantic core. Cinematic tracks including “Shadows of the Moon,” “When You Took My Hand to Dance,” and “A Quiet Moment for Two” capture love in its most intimate, timeless forms.

The journey expands into freedom and wide horizons with “Turn It Up and Let’s Ride” and “Backroads and Daydreams,” before closing with reflective, soul-soothing pieces like “Where The River Meets The Sky” and the empowering final anthem “Shine On Shine Strong.”

With its blend of heartfelt storytelling, melodic warmth, and emotional depth, *Golden Melodies From The Heart* stands as one of O’Neill Fernandes’ most uplifting and personal works — a tribute to the people, memories, and moments that become golden when carried in the heart.
