A HEDGEHOG'S EMBRACE

The Softness Beneath The Quills. Do you live abroad & away from loved ones? This is your guide.

Dubai, United Arab Emirates Mar 29, 2026 (IssueWire.com) - Passionpreneur Publishing has announced the release of **A Hedgehog's Embrace** by Maysoun Ramadan via the publishing industry's largest global book distribution networks. The book is anticipated to have an inspiring and profound effect on its target audience.

In this must-read book, we meet Maysoun as she rebuilds her life in Dubai, drawing inspiration from multiple cultures, while living far from the people she loves. She brings to light the quiet strength of caring from long distances, maintaining bonds and honouring our own wellbeing. Navigating the loss of both parents and a close friend, she reveals how grief reshapes us and how cultural expectations influence the way we mourn, love and heal.

More than a memoir of loss, this is a compassionate guide for expats and those who care from afar. Grief is a universal experience, yet it is lived with different dimensions when abroad. This book addresses how to turn pain into growth, embrace vulnerability, and find community beyond borders. Even at a distance, love can deepen, hope can endure, and our truest selves can emerge.

The book is now available to inspire readers across the globe through the IngramSpark distribution network and other affiliates which will cover print-on-demand across the UK, Europe, USA, Australia, New Zealand and the Middle East. The e-book is available in 25+ online bookstores like Amazon, Kindle, Barnes & Nobles and Apple Books in the Middle East.
