

## Personal injury law firm Bisnar Chase adds talented trial lawyer Jeanette Hahn to its team of attorneys

Jeanette Hahn is a successful trial attorney with years of experience in the courtroom. She has worked on both sides of the law, fighting for injured plaintiffs and defending insurers.

**Newport Beach, California Mar 12, 2026 ([IssueWire.com](https://www.IssueWire.com))** - She started her career as a legal secretary at a [personal injury firm in Los Angeles](#), assisting on a wide range of cases from early litigation through trial. During that time, Jeanette had the chance to contribute as second chair on three jury trials that resulted in multi-million-dollar verdicts for the victims. Those experiences shaped her career path and inspired her to enroll in law school before launching her career as a personal injury lawyer.

*Jeanette said: "I approach every case with a deep sense of responsibility to the individuals and families I represent. "Many of my clients have suffered catastrophic injuries and will live with permanent conditions that affect their everyday lives.*

*For them, a personal injury claim is often their only opportunity to obtain the financial resources necessary to support their medical care, rehabilitation, and future stability.*

*"I take that responsibility seriously and work tirelessly to advocate for my clients and maximize the compensation they deserve."*

[Jeanette Hahn](#) grew up in Los Angeles, completing her undergraduate degree at UCLA and her Juris Doctor at the University of San Diego School of Law. After passing the California Bar and collecting a series of outstanding results for her injured clients, she was recruited by a major insurance company to serve as in-house trial counsel. She said: *"Over the course of nearly two years on the defense side, I gained invaluable insight into how insurance companies, adjusters, and defense attorneys evaluate and value injury claims. "This experience provided a strategic perspective that continues to inform my advocacy for injured plaintiffs."*

Ultimately, Jeanette wanted to move back into personal injury law and has now joined the growing Bisnar Chase team. She has already recovered millions of dollars for her clients through her career so far. Her highlights to date include securing a \$3 million settlement for a client who was burned by a defective product, and \$1.7 million in a negligence case. We are proud to welcome her to the Bisnar Chase family!
