

PJ Vann: A Passionate REALTOR® Making Waves in East Tennessee Real Estate

Dedicated to Serving Clients and Building Lasting Relationships in Oak Ridge and Surrounding Areas

Oak Ridge, Tennessee Mar 3, 2026 ([IssueWire.com](https://www.issuewire.com)) - PJ Vann, an enthusiastic REALTOR® with Crye-Leike Realtors, is redefining client service in the East Tennessee real estate market. With an active real estate license in Tennessee and a wealth of experience that began in 2019, PJ leverages her background as a project manager for a local home builder to provide invaluable insights to buyers and sellers. Her comprehensive understanding of construction timelines, property quality, and the home-building process empowers her to guide clients through negotiations and contract execution with a solutions-focused approach.

PJ's mission is clear: to advocate for clients who may feel overlooked in today's competitive market. She specializes in serving first-time buyers, single parents, veterans, and seniors, earning a reputation for her responsiveness and clear communication. PJ goes above and beyond the standard role of a REALTOR®; she often assists clients with moving logistics and remains a trusted resource long after the transaction is complete. Her commitment to fostering lasting relationships is evident in her dedication to accountability and support.

"I love serving the East Tennessee community," PJ explains. "It's rewarding to help families plant roots in a place known for its scenic beauty and welcoming atmosphere. I take pride in guiding my clients to homes where they can truly embrace the lifestyle our region offers."

PJ employs a determined negotiation style, prioritizing her clients' interests in every deal. She approaches each transaction as both a strategist and an advocate, diligently working to minimize risk and resolve challenges proactively. As she expands her expertise, including exploring opportunities in commercial real estate, her focus remains steadfast on delivering results-driven representation and enhancing the client experience.

Her service areas include Oak Ridge, Oliver Springs, Clinton, Powell, Halls, Rutledge, Corryton, Knoxville, Farragut, Lenoir City, Loudon, Maryville, Alcoa, Vonore, Jefferson City, Morristown, Townsend, Sevierville, Gatlinburg, Murfreesboro, Nashville, and Franklin. PJ specializes in various aspects of real estate, including buyer representation, investment properties, new construction, relocation services, and support for military veterans and senior communities.

PJ attributes her success to staying accessible and responsive, maintaining consistent communication, and doing whatever it takes to support her clients—whether that means educating and guiding them through each step, helping pack or paint, following up long after closing, or simply listening closely and lifting others up with positivity and purpose. She also credits the unwavering support of her incredible family, including her children, her fiancé, and her mother, who serves as her assistant, as an essential part of her journey. Their encouragement, teamwork, and belief in her vision have played a meaningful role in her success, and she recognizes that without them, she would not be where she is today.
