

ProPlus-Ménage strengthens its presence in Quebec

ProPlus Ménage

Plus pro, plus propre

Brossard, Quebec Mar 16, 2026 ([IssueWire.com](https://www.issuewire.com)) - ProPlus-Ménage, a company specializing in [residential and commercial cleaning services](#), today announces a new phase of growth in Quebec, marked by enhanced quality protocols, expanded teams, and a stronger commitment to delivering professional, reliable, and impeccable service.

Operating across Montréal, Laval, Brossard, Candiac, the South Shore, and the North Shore, the company continues to raise industry standards through rigorous work methods, eco-friendly products, and an approach grounded in trust and client satisfaction.

A Structured and Mastered Cleaning Service

ProPlus-Ménage relies on clear and efficient processes to ensure consistent results at every appointment.

Each team follows:

- standardized checklists
- modern cleaning techniques
- strict surface-protection procedures
- mandatory final quality control

This operational model guarantees uniform quality, whether for weekly residential cleaning or

large-scale commercial maintenance.

Professionalism: A Core Company Value

The company stands out thanks to its rigorous recruitment and continuous training programs. Every cleaner or franchisee receives:

- comprehensive technical training
- structured supervision
- ongoing updates on cleaning methods and products
- operational support to ensure exemplary service

“We aim to offer more than just a cleaning service. We want to deliver a professional, safe, and fully transparent experience to both our residential and commercial clients,” states ProPlus-Ménage’s management team.

Safety, Insurance, and Trust: Firm Commitments

ProPlus-Ménage is strengthening its security measures with:

- \$2 million liability insurance
- accident and damage protection
- bonding
- background checks for all new employees and franchisees
- strict confidentiality clauses

These measures provide complete peace of mind for clients—businesses, retailers, and families alike.

An Eco-Responsible Approach

The company also reaffirms its commitment to environmentally responsible cleaning. All products used are:

- non-toxic
- gentle on surfaces
- safe for children and pets
- effective for deep cleaning

This approach aligns with the growing trend of choosing cleaning companies that prioritize health and environmental responsibility.
